

A loom-woven panda figure is centered on a red background. The panda is constructed from white and black rubber bands. Its body is a dense, rounded mass of white bands, with black bands woven in to create a pattern that resembles fur. The panda has two large, dark, rounded ears on top of its head. Its four legs are also made of black bands, with white bands woven into them to create a striped or spotted pattern. The overall shape is a stylized, somewhat abstract representation of a panda.
