Sales Quotas An Analytical Approach To Quota Setting

Prentice-Hall, inc

Sales Quotas An Analytical Approach To Quota Setting:

Sales Quotas Mark Blessington, 2014-11-20 Sales Quotas is a comprehensive guide on how to set better quotas for salespeople Written by a top sales force consultant the book identifies common bad habits and explains how to break them Few companies use market potential data when setting quotas which can punish top performers We describe how to obtain the data and use it to set more accurate quotas Many managers are not aware of the statistical principles that govern how quotas work Part of the problem is that statisticians are often unintelligible Sales Quotas explains topics like the law of large numbers with easy to understand language and real world examples One common quota setting method uses prior year growth to set quotas This is a good start but there are far more accurate ways to forecast sales We identify simple but effective forecasting methods and show you how to integrate them into the quota setting process Very few companies test their quota setting methods for accuracy before releasing them By running simulations on prior year sales results you can actually discover which methods work best for your company These and other quota setting issues are solved through the use of real world examples and exercises We also make the book fun to read with numerous full color tables charts and graphics Sales Quotas is the first book to focus exclusively on quota setting Previously managers were flying blind with little to no analytical guidance Now managers can follow a proven process and apply a comprehensive set of tools to set better quotas The benefits of a rigorous quota setting process are substantial In short better quotas increase sales force utilization and motivation which in turn leads to higher sales and profits

A Practical Approach to Sales Management Kujnish Vashisht, 2006 Sales Department Occupies A Strategically Most Important Position In The Present Day Marketing Operations The Increase In Quantum Of Business Changing Demographics Developed Information Technology And Awareness Of Rights And Privileges Of The Customers Have Prompted Growing Competition In Business In The Changed Scenario The Position Of Sales Manager Has Gained In Importance Thereby Making The Study Of Sales Management In A Proper Perspective Indispensable For The Students Who Intend To Pursue A Managerial Career The Present Book A Practical Approach To Sales Management Is A Complete Treatise On The Subject Beginning With A Well Researched Introduction To The Field The Book Discusses All The Key Concepts Related To Sales It Explicitly Lays Down The Objectives Of Sales Management Achievement Of Sufficient Sales Volumes Contribution To Desirable Profits And Ensuring Continuous Growth For The Company And Its Functions Sales Planning Organising The Sales Effort Coordination With Other Departments Appointing And Training Sales Personnel Motivating Sales Persons Achieving Sales Targets Administration And Control To Name But A Few The Role Of A Modern Day Sales Manager Has Been Exclusively Presented In Detail With A View To Make The Students Highly Competent In Handling The Real Time Marketing Situations The Other Important Concepts Of Sales Which Have Been Analytically Studied In The Present Book Include Marketing Policies On Sales Market Demand And Sales Forecasting Recruitment And Selection Of Sales Persons Sales Training Programmes Performance Evaluation Sales Budget Sales Territories Sales Control
