

# NARRATIVE ESSAY FOR SPM ~ FRIENDSHIPS' THEME

*Write a story ending with "... my heart bleed and I cried"*

Living in a serene village near the pristine sea was a real treasure for me as its tranquillity and refreshing atmosphere with a picturesque sea was a really perfect getaway whenever my head was on the verge with all of the schools' works and pressures. Every day, my best friend, Razman and I would go to the sea to watch the sun sets as the invigorating coolness of the sea breeze caressed our skins. Ever since we were in the kindergartens, we had done the same thing. In the eye of the fishermen there, Razman and I are kindred spirits and our genuine camaraderie could never be separated by hooks or crooks.

One day, I was feeling a little bit under the weather. My head was spinning and my body was soaking wet with perspirations. So, I decided to take a nap in order to recuperate my illness. Out of the blue, Razman came visiting me. He asked me to accompany him to the ice cream's stall near the beach. I refused his tempting request almost instantly as my condition was not permissible. But, he kept begging me and his constant chatter was really irascible that I thought my head was going to explode. I tried to control my temper but I failed. I shouted at him, "Just go there by your own self and stop annoying me!" Razman remained speechless upon hearing my yells.

"Sorry, I did not meant to disturb you. I promised that I will not do it again in the future", Razman said slowly. I felt guilty watching him cycling away from my house with a crestfallen face. Nevertheless, about one metre from my house Razman turned his dimpled face to look at me and I was at sixes and sevens when he gave me an unexplainable gaze. He smiled at me and I tried to smile at him back but my lips did not cooperate well with my mind causing me to stand there poker – faced. So, I just retreated into my bed room and decided to wait until I am hale and hearty enough before I went to meet Razman and asked for his forgiveness. Quickly, I swallowed down two Paracetamol's tablets before going to the bed. The clock was tinkling 11 a.m. by the time I dosed off into my own imaginary world of dream.

Webb,2013-10-21 An excerpt from the beginning of the first chapter 1 Introduction Literary composition is the art of expressing thought or feeling effectively by words The thinking must be done first ideas and opinions must be formed before the attempt is made to put them into words the writer should know beforehand exactly what he means Hence interest and experience in a subject are essential to him What he wants as Professor Raleigh remarks is not an abundance of facts so much as the connexions between the facts It is the connexion of

things with each other the ability to go from point to point which marks literature Thus the art of composition is governed by certain principles and methods which the young writer must learn and carry into practice in order to write well The aim of the following pages is to explain the most important of these principles with special reference to the writing of Essays 2

**Classification of Essays** Essays may be divided into four classes I Narrative Essays or Essays that consist of the narration of some event Such events may be historical or legendary occurrences or they may be stories true or imaginary or they may be biographical sketches of some well known person II Descriptive Essays or Essays that consist of the description of some place or thing These may be animals plants fruits or minerals towns ports ships and buildings of all kinds as towers temples museums bridges countries islands mountains seas rivers canals aspects of nature or lastly manufactured articles III Reflective Essays or Essays that consist of reflection upon some topic which is generally of an abstract nature These topics may be habits qualities feelings and capacities or they may be subjects of a social and political character IV Expository Essays or Essays that consist of the exposition or explanation of subjects These may be comprised under the head of first institutions industries occupations and phases of life secondly scientific topics and thirdly literary topics
