Grounded Theology in the Hebrew Bible Elizabeth Backfish, Cynthia Shafer-Elliott, 2025-10-14 Many books focus on either the cultural contexts of ancient Israel or the theology of the Hebrew Scriptures This unique and insightful work coauthored by a biblical scholar with expertise in archaeology and a biblical theologian bridges the gap between these two disciplines This book shows readers how the everyday life of ancient Israelites shaped their relationship with God and how understanding their cultural context illuminates the profound connections between their world and their faith Grounded Theology in the Hebrew Bible explores topics such as households food marriage negotiations covenants warfare and more Each chapter begins by examining archaeological insights into the everyday practices and beliefs of ancient Israelites shedding light on how these inform the theology that develops throughout Scripture This approach enhances our understanding of ancient Israel's theologies For the Bible student pastor or serious lay reader this volume is an invitation to dig deeper into the cultural background and theology of the Hebrew Bible The book includes suggestions for further reading images figures and discussion questions

Joseph's Resolve and the Unreasonableness of Sinning Against God C. Matthew McMahon, 2020-06-16 One of the greatest depictions of God's providence in Scripture is the historical narrative of Joseph who was sold into slavery and worked under Potiphar the chief steward of Pharaoh Within the course of this narrative while Joseph is in his house Potiphar's wife comes to him many times to lure him off to sin in one of the most bold and forthright temptations to be recorded anywhere in the Bible She had longing wandering eyes and comes to tempt him assaulting him day by day constantly and audaciously Joseph's reaction to this wicked assault is an instant refusal to the temptation How then can I do this great wickedness and sin against God Gen 39 9 What biblical directives can be found in this amazing statement of holiness and godliness From this one text McMahon meticulously explains how Joseph's victory over temptation against Potiphar's wife can be used by the believer today for their own victory to the glory of Jesus Christ Christians need to be prepared to deal with temptation in a manner in which they will be victorious in the power of Christ's Spirit But they can only do this if they understand what Joseph understood in regards to God temptation and the heinous nature of sin He covers such topics as the great evil of sin the relationship between sin and God's holiness how to live faithfully before God's omniscience and omnipresence the nature and character of temptation what it means to resist temptations how holy fear aids the Christian in light of temptation what the Spirit works in a Christian motioning them to holiness how one can cultivate a sensitivity to the Spirit's work the inconsistency in sinning against God how usefulness in God's kingdom is linked to holiness the power of Christ's Gospel as the full remedy to temptation and sin as well as a number of other important considerations He also includes a study on the hedge of protection that is mentioned in Job 1 10 as an appendix to the work This book faithfully explains and applies Genesis 39 9 demonstrating Joseph's godly resolve and the unreasonableness of sinning against God Here you will find what steps you can take following devout Joseph to keep yourself

from falling into sin through the craftiness of temptation that you may bring the most glory to Jesus Christ in your walk before God **Scripture Object Lessons and Outline Teaching for Sunday Schools** Henry Christopher Maccack,1872

Object Lessons That Teach Bible Truths William Henderick,William C. A. Erickson,2019-10-18 How can we make sense of the seismic shift between the Old and New Testament From the early centuries of Christianity until today many have wrestled with the complex changes between the Testaments and how to make sense of them The discussion and debate is spilling over into new areas today and shows no sign of slowing down In this fresh approach the land the sword and the temple are traced from Old to New Testament in order to find the central reasons for the tremendous changes that took place and are still impacting the world today Freely gathered communities of faith in Christ as seen in their original setting provide a key focal point for unlocking the radical changes that took place **Christian Advocate** ,1907 Anchored to the Savior Rev.
