**Emilie Sanchez**

## **Rogues Gallery A Sebastian McCabe And Jeff Cody Case Book:**

**Rogues Gallery** Dan Andriacco, 2018-09-04 Some crimes are bigger than others and the same is true of crime stories. Rogues Gallery brings together for the first time a series of shorter Sebastian McCabe Jeff Cody mysteries: three novellas and two short stories. The many fans of the McCabe Cody novels will be delighted to find that these tales are characterized by the same dry humor, solid plotting, and adroit characterization that distinguished the novel-length adventures. This case book includes: *Art in the Blood*: An art show in downtown Erin featuring the works of Kate McCabe and other female artists goes horribly awry when murder stalks the gallery. *The Revengers*: Halloween finds Jeff Cody and Lynda Teal dressed as John Steed and Emma Peel. But before they get to the party, they find themselves in an Avengers-like mystery. *Santa Crime*: Sebastian McCabe dressed as Santa Claus for a Christmas event at a local charity finds himself acting more like Sherlock Holmes to solve a holiday theft. *A Cold Case*: House hunting turns into a nightmare for the newly married Jeff and Lynda when a body turns up in the freezer chest of a house they'd like to call home. *Dogs Don't Make Mistakes*: Nobody would blame Jeff and Mac's friend Ashley Crutcher for shooting her estranged husband when he entered their home in the middle of the night. But she insists she didn't do it. **PRAISE FOR ROGUE'S GALLERY** Dan Andriacco hits it out of the park with Rogues Gallery, a collection of short mystery stories featuring the two unlikely brothers-in-law and modern-day Holmes and Watson of Sebastian McCabe and Jeff Cody. Narrator Cody is a sardonic, witty, newlywed everyman, while McCabe, rotund in the tradition of Nero Wolfe, is an avid oddball Sherlockian with formidable powers of his own. Andriacco's distinctive tone delights in a similar manner to the brilliant M. C. Beaton with his combination of cozy small-town detail and hilarious and pointed observations of its denizens. The cozy elements are all in the settings here, including an all-female art show, Christmas and Halloween parties, college politics, and the developing relations of Cody and his new bride as they navigate newlywed issues. But unlike many mysteries with cozy elements, Andriacco's plots are masterful. Like a skilled close-up magician, Andriacco lulls you into what appears to be a quiet Midwestern sense of normalcy, only to turn up an ace from his sleeve with a murderous surprise. You're in the hands of a master of mystery plotting here. Rogues Gallery is a delightful read, hard to put down, and highly recommended. And did I say fun? Hollywood screenwriter Bonnie MacBird, author of *TRON*. **Rogues Gallery** Dan Andriacco, 2018-09-04 Some crimes are bigger than others and the same is true of crime stories.
