

THE WHITE HOUSE
WASHINGTON

January 22, 1940

Dear Mrs. Edison:

You may have seen that the American Youth Congress is holding a Citizenship Institute here in Washington from February 9 to 12. This will bring young people from all over the country.

They will, of course, go up to Congress to see their representatives and they are asking a great many government officials to come and speak to them and to allow them to hold discussions in which they can state their problems. I think it is important that they feel we are interested, even though undoubtedly they believe in some things with which we do not agree.

Some 3,000 young people have indicated that they hope to be here, and on account of limited funds the Washington Youth Council is having difficulty in finding free housing space for them. I wonder if you would be interested in taking in some young people and giving them a bed and breakfast during these days or in sending a contribution for this purpose to me or to the Washington Youth Council at 1701 11th Street N.W. / Howard Funes is the chairman.

Very sincerely yours,

Thos. T. Russell
