Salsa Soul And Spirit:

Salsa, Soul, and Spirit Juana Bordas, 2012-03-25 A practical guide to leadership in America's ever increasingly diverse workforce featuring approaches from non European and non white communities Our nation is quickly becoming a multicultural cornucopia Tapping the potential of our changing demographics requires a leadership approach that resonates with our growing diversity In *Salsa Soul and Spirit* Juana Bordas shows how incorporating Latino African American and American Indian approaches to leadership into the mainstream has the potential to strengthen leadership and inspire today's ethnically rich workforce Bordas identifies nine leadership principles common to all three cultures Principles deeply rooted in each culture's values and developed under the most trying conditions Using a lively blend of personal reflections interviews with leaders historical background and insightful analysis she shows how these principles were developed and illustrates the creative ways they've been put into practice Bordas weaves these principles together into a multicultural model that offers a more flexible and inclusive way to lead Multicultural leadership resonates with many cultures and encourages diverse people to actively engage contribute and tap their potential In a globalized economy success for leaders will rest on their ability to shift to a multicultural approach *Salsa Soul and Spirit* provides conceptual and practical guidelines for beginning that process The revised and updated second edition speaks to how the Millennial generation value diversity and resonate with the leadership principles in communities of color This wonderful book made me want to dance with joy In Western society we suffer from a loss of community and spirit because we're so disconnected American Indian Latino and African American cultures have never forgotten that we need to be together and that diversity is not a problem but a blessing May this book lead you to discover what we've been missing each other Margaret J Wheatley author of *Leadership and the New Science* Juana Bordas has broken new ground She has documented and analyzed the effective and unique practices of Latino Black and American Indian leaders *Salsa Soul and Spirit* is a fascinating read that shows us the road to leadership for a multicultural America John Echohawk Pawnee executive director The Native American Rights Fund

Salsa, Soul, and Spirit Juana Bordas, 2007 Presenting a multicultural leadership model this work brings together the key practices from Latino African American and American Indian communities instead of the traditional and exclusively Anglo American based concepts of leadership *Salsa, Soul, and Spirit (Volume 1 of 2) (EasyRead Super Large 24pt Edition)*, *Salsa, Soul, and Spirit* Juana Bordas, 2007 ***Salsa, Soul, and Spirit (Volume 2 of 2) (EasyRead Super Large 20pt Edition)***, ***Salsa, Soul, and Spirit, 2nd Edition*** Juana Bordas, 2012 NEW EDITION REVISED AND UPDATED One of America's historic strengths is the ability to incorporate aspects from many different cultures to create a stronger whole Our music literature sports architecture food and fashion have all benefitted But current leadership approaches are overwhelmingly written by White males and remain distressingly Eurocentric Juana Bordas has set out to change this In this influential book she shows how incorporating Latino Black and American Indian approaches can enrich leadership and offers a more viable model for

our expanding multicultural society Salsa, Soul, and Spirit Juana Bordas, 2012-03-26 NEW EDITION REVISED AND UPDATED One of America's historic strengths is the ability to incorporate aspects from many different cultures to create a stronger whole Our music literature sports architecture food and fashion have all benefited But current leadership approaches are overwhelmingly written by White males and remain distressingly Eurocentric Juana Bordas has set out to change this In this influential book she shows how incorporating Latino Black and American Indian approaches can enrich leadership and offers a more viable model for our expanding multicultural society Spirit-Empowered Christianity in the 21st Century Vinson Synan, 2011-02-01 What does a re vision of the Charismatic Pentecostal Spirit empowered movement look like in the coming years of this millennium The first century of this revival seems to attest that the Lord raised up the holiness and Pentecostal movements not only to be custodians of these distinctive truths but the perpetuators of them as well If any generation ceases to accentuate this emphasis the movement likely will forfeit the right to be recognized as such When the Pentecostal message is preached published and proclaimed through triumphant song an atmosphere is sustained for people to experience anew and again the reality of salvation holiness charismata wholeness and hope Such a revival will be biblically based rationally sound traditionally accurate and experientially real Spirit Empowered Christianity in the 21st Century is an authoritative compilation of the presentations from thirty leaders in the Charismatic Pentecostal movement given at the Empowered 21 Conference in Tulsa OK in April 2010 These chapters share emerging insights on how the next generation will handle the profound issues facing Christians within the Charismatic Pentecostal movement in the 21st century For example one portion covers the topic of the 21st century renewal while another discusses how we can protect our Charismatic distinctive Another portion will highlight Charismatic adaptations for reaching this present age discussing issues of social and economic justice prosperity and suffering challenges to urban ministry the future of the next generation Oneness Pentecostalism and missiological aims in North America **Improvising Church** Mark Glanville, 2024-02-13 Though the post Christian cultural turn can be disconcerting it is also a uniquely exciting time to reimagine churches Building on the dynamic traditions of jazz music and Christian community biblical scholar and jazz musician Mark Glanville unfolds a biblical practical and inventive vision for building the churches we long for **When Faith Catches Fire** Samuel Rodriguez, Robert C. Crosby, 2017-06-20 God Loves a Heart on Fire What can move your faith from a principle you learn to a passion you experience According to Samuel Rodriguez and Dr Robert Crosby the answer might be found in a surprising place the Latino church As the fastest growing minority in America Latinos are impacting church culture through vibrant worship fervent prayer and a commitment to change the world one soul at a time As a follower of Jesus has your soul been truly set afire Christian leaders are witnessing a remarkable phenomenon kindled first in the Latino Hispanic community and spreading like wildfire throughout the global church Latinos are much discussed in the United States for their dynamic political and socioeconomic impact but not as much is said about their spiritual influence In reality the effects of the Latino

church are more akin to a spiritual awakening than a mere social trend And there is so much all believers can learn from Latino Christ followers At the core of this dramatic shift is a call to embrace a more soulful passionate faith In this powerful book Christians will gain valuable insights on how to fully experience the joy of God and the passion of His Spirit develop a true sense of unity amidst diversity in the body of Christ make an eternal impact on their families communities and the world Complete with discussion questions for individual reflection or small group use this timely work will challenge the status quo of passionless Christianity and set the believer s soul ablaze When Faith Catches Fire is both an exploration and a celebration of the salsafication of the church God will use it in splendid ways John Ortberg senior pastor and author of All the Places to Go The passionate fire from the heart of this book will serve as a rallying cry to all Latinos and beyond Ronnie Floyd senior pastor past president of the Southern Baptist Convention
