### Argumentative/Persuasive Essay

#### The Internet

What is the outcome of the Internet being censored? It could lead to other private appliances to being censored. Your computer is your computer. If the Internet is censored, society could be next.

Censoring the Internet could lead to the Internet being censored. If TV is censored that means no more sweet realistic books or nasty but comical text novels will longer exist.

The Internet is a way to express your speech and freedom of expression. The Internet is the world as we know it.

Your computer is your computer

## SAMPLE ESSAY #4

### Narrative Essay

#### Turn of Events

In the fourth grade, I decided to perform in our school's annual talent show. I picked the song "Sweet Home Alabama" by Lynyrd Skynyrd, which was popular at the time, and I practiced for months. The day finally came for me to perform in front of the school in the school's "auditorium." With my sister, classmates, and teachers watching, I took the stage ready to sing my heart out. All of a sudden, a fire "boom" started in the back, then it got louder... and louder.

Suddenly, I realized that what seemed like the entire audience was leaving their seats. I was confused, but only thought to myself "the show must go on." I held back my tears and my voice ran off the stage and collapsed into a ball, and cried hard. The sound of crying that comes from the bottom of your stomach, the kind you never think you will be able to stop.

I ended up going to the office to cry it out. Why would everyone just leave like that? There I was, distressed in the office nearly all day, wiping my tears and sobbing again, and asking myself why. The school secretary tried to talk to me and when I don't remember what she said, I know that she eventually made me feel better. I dried my tears, took a deep breath, and went back to my classroom. I don't remember much else, but I remember looking back at the end of the day and the night of the show.
