Review of the Trade and Commerce of Cincinnati Cincinnati (Ohio). Chamber of Commerce and Merchants' Exchange, 1914 *Great Boards for Small Groups* Andy Robinson, 2006 Yours is a good board but you want it to be better. You want clearly defined objectives. Meetings with more focus. Broader participation in fundraising. And more follow-through between meetings. You want these and a dozen other tangibles and intangibles that will propel your board from good to great.

Say hello to your guide Andy Robinson who has a real knack for offering forehead slapping solutions Of course Why haven t we been doing this Take what he says about written agreements among board members Any meaningful job description must be reciprocal it defines what is expected of you but also what you can expect in return Example I accept fiduciary responsibility for the organization and will oversee its financial health and integrity By the same token I expect timely accurate and complete financial statements to be distributed at least quarterly one week in advance of the relevant board meeting In other words the board knows what to expect the staff knows what to do Each is accountable Simple right So why does the 10 item sample agreement Robinson provides seem so revolutionary Perhaps because so few people have tried an agreement like this Then there s what the author calls the Fundraising Menu Here board members are asked to generate a list of all the ways direct and indirect they could assist in fundraising The list is prioritized and then used to help each trustee prepare a personalized fundraising agreement that meets his or her specific needs interests and limitations Again simple but it s the closest thing you ll find to guaranteeing a board s commitment to raising money Toward the end of his book in a number of How to Fix It chapters Robinson homes in on specific problems such as poorly attended meetings spotty follow through on commitments inactive board members narrow consensus conflicts of interest weak agendas and much more And Robinson doesn t offer up easy nostrums Quite the opposite Over the past 20 years as a board member a volunteer and a consultant he s put into practice what he preaches and stands unshakably behind his fog burning advice Great Boards for Small Groups contains 31 brief chapters In fact the whole book can be read in an hour Funny thing though its impact on those who heed its advice will last for years *Clearinghouse Review* ,1989 *The Executive Director's Guide to Thriving as a Nonprofit Leader* Mim Carlson,Margaret Donohoe,2010-04-16 As the position of nonprofit ED becomes more demanding there is a need for an up to date resource This revised edition of the best selling book is filled with management advice for succeeding as an executive director This new edition includes thoroughly updated information and new content It covers topics on timely issues and practical strategies including Avoiding Burnout Accountability Professional Networking Financial Literacy Measuring Effectiveness and much more Ideal for ED s and board members the book also includes new cases and stories from the field and practical tips sidebars *Billboard* ,1960-07-04 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
