Saying Is Believing The Necessity Of Testimony In:

Saying Is Believing Amanda Hontz Drury, 2015-02-23 What if our view of testimony is all wrong Integrating sociological analysis and theological reflection Amanda Drury presents testimony as not merely something that describes what happened in the past but as an essential practice for Christian spiritual formation especially for adolescents in the process of developing their identity

The Epistemology of Testimony Jennifer Lackey, Ernest Sosa, 2006-06-08 Testimony is a crucial source of knowledge we are to a large extent reliant upon what others tell us It has been the subject of much recent interest in epistemology and this volume collects twelve original essays on the topic by some of the world's leading philosophers It will be the starting point for future research in this fertile field

That You Might Believe - Study on the Gospel of John Robert L. Deffinbaugh, 2002 There are certain books of the Bible that just seem to stand out and the Gospel of John is surely one such book It is frequently the first book of the Bible we encourage non Christians to read in the hope that its message will lead them to faith in Christ After all that is the purpose of the book See John 20:31 For Christians the Gospel of John is a source of much truth about our Lord and the Gospel But it is much more than that It is an opportunity for us to follow Him as we read and to identify with the disciples as their knowledge of Him continues to expand It is our opportunity to get to know the heart of the Savior and to fellowship with Him through His Word If men of old found their hearts set on fire as they listened to Him teach in person Luke 24:32 so we will find our hearts warmed as we seek to listen to Him through this Gospel I challenge you to join me in making the Gospel of John the subject of your study May God use it to help you see and serve Jesus Christ as the Lamb of God who takes away the sin of the world John 1:29
