School Flyer Samples:

"Cool Stuff" *They Should Teach in School* Kent Healy, Kyle Healy, 2004 Why did we write it Because they don't teach it in school There are basic skills that every person MUST know in order to function in the real world and it's all Cool Stuff We like to refer to these skills as the fundamentals of life In sports the difference in winning and losing can simply be your grasp of the game's fundamentals Whether we play sports or not we're all participants in the game we call life Do we want to win this game Of course we do Here's the problem We can have all the enthusiasm and all the passion in the world but if we don't get the basics down first all that energy is wasted The same is true for life Without knowing the fundamentals you'll probably get hurt and you definitely won't be having fun Cool Stuff they should teach in school offers these fundamental skills of life in a fun easy to read format After all why stumble into the real world when you can cruise in with styyyyle **School**
