Evaluation in Nursing, Second Edition Sarah B. Keating, 2010-11-19 The second edition of the current leading nursing text in curriculum development and evaluation continues to serve nurse educators in academic settings as well as in the practice arena. It is a practical guide for developing, revising, and evaluating nursing curricula and educational programs, complete with case studies and details on conducting a needs assessment to determine the extent of revision necessary within current curricula. This text focuses on evidence-based practice, safety, and quality assurance concepts and the role of creative and critical thinking aspects. It highlights NLN and AACN core competencies in developing and evaluating curricula in all levels of nursing programs. Additionally, it includes a comprehensive list of critical evaluation and accreditation tips, directions on how to prepare for an accreditation visit, and two proposed curricula for nurse educators to consider adapting into educational materials. Key features: Discusses the continuing growth of technology and its application in nursing programs; Examines health care reform legislation that is expected to change the way care is delivered; Contains updates on the continuing career ladder and entry level issues related to nursing; Provides details on pedagogical methods, objectives, discussion points, learning activities, and references; Includes a glossary of commonly used terms in curriculum development and evaluation. This revised edition further examines several major objectives of the text, including major milestones for the past 100 years in the American nursing education system, program review and accreditation processes, and evaluating current trends in nursing education and their role in curriculum development. Doctor of Nursing Practice Ruth

McCaffrey, 2012-03-01 Enhance your understanding of the essential elements of the Doctor of Nursing Practice as defined by the AACN. Written for DNPs by a DNP, this is more than an introduction; it provides you with an organizing framework for your progress through the DNP degree program. *Nursing Programs 2014* Peterson's, 2013-05-07 Peterson's Nursing Programs 2014 features profiles of more than 3,600 undergraduate, graduate, and postdoctoral programs at hundreds of institutions in the United States and Canada. The only nursing guide published in cooperation with the prestigious American Association of Colleges of Nursing (AACN), which is the only U.S. organization dedicated exclusively to advancing baccalaureate and graduate nursing education. Inside, you'll find the latest data on entrance requirements, costs, degrees offered, distance learning options, contact information, and much more. Also included are insightful articles and expert advice from nursing school deans and professors, along with a thorough analysis of the nursing profession today and what to expect in the future.
