Improving Literacy at KS2 and KS3 Andrew Goodwyn, 2002-06-28 Improving Literacy at KS2 and KS3 is all about primary secondary transfer seen mostly through the eyes of secondary teachers but with some interesting contributions from middle school staff who know the territory well This book sees the NLS s influence on primary practice as generally benign but takes a more jaundiced view of the implications for secondary teaching especially in its central chapter Evidence from experienced practitioners There are however many useful suggestions for reshaping and adapting parts of the strategy including chapters on classroom literacy and everyday life and literacy and drama which consider ways of relating learning to the wider culture beyond school including screen based literacy There is also a review of the language across the curriculum movement and a chapter on subject literacies which has left me with an abiding admiration for geography teachers as lone voices of dissent Sue Palmer TES Teacher This book will to help students and practising teachers to understand the issues surrounding literacy the place of transition in pupils lives and to feel confident in handling The National Literacy Strategy The book focuses on the crucial period when children complete primary schooling and begin in secondary schools It examines the issue of transition from one phase to the other and specifically the nature of literacy at this period The authors contrast the whole school approach of primaries to the very subject specific nature of secondary teaching The authors set the NLS in perspective reviewing earlier movements such as Language across the Curriculum and the NLS itself They offer a critique of the strategy and outline its strengths and weaknesses The book sets out evidence of the way schools are reacting to the NLS and what classroom teachers and their pupils think Its coverage is comprehensive and includes focus on primary secondary and middle schools the teaching of literacy and English the role of ICT as well as important areas such as media education drama and modern foreign languages This book will be useful to education students and to practicing teachers in primary and secondary schools

Classroom Talk Debbie G. E. Ho, 2007 The author attempts to answer the question of why ESL classroom talk is the way it is Basing her answer on a case study of a school in an ESL community she argues that classroom talk may be linked in important ways to an operative sociocultural structure of ESL pedagogy over and above the classroom at the institutional level

Primary Core National Curriculum David Coulby, Stephen Ward, 1996-01-01 This updated text surveys the debate amongst politicians and professionals surrounding the evolution and revision of the National Curriculum for England and Wales setting the scene for the implementation of the core subjects Information Technology English Mathematics and Science The contributors investigate the ways in which schools have managed curriculum policies the role of subject co ordinators and the development of teaching methods The text in its second edition contains a new chapter on Information Technology

Speaking, Listening and Drama Andy Kempe, Jan Holroyd, 2013-07-04 Written for practicing and trainee English and Drama specialists this text clarifies what constitutes useful knowledge about spoken English and how pupils aged 11 16 can develop their skills in speaking and listening through the use of drama

Language in Tanzania (1980) Edgar C. Polomé, C. P. Hill, 2017-09-29 Originally published in 1980 *Language in Tanzania* presents a comprehensive overview of the Survey of Language Use and Language Teaching in Eastern Africa Using extensive research carried out by an interdisciplinary group of international and local scholars the survey also covers Ethiopia Kenya Uganda and Zambia The book represents one of the most in depth sociolinguistic studies carried out on this region at this time It provides basic linguistic data necessary to policy makers administrators and educators and will be of interest to those researching the formulation and execution of language policy

Macau's Languages in Society and Education Andrew J. Moody, 2021-03-18 This book examines the role of English within education and society in the quickly changing city of Macau Macau's multilingual language ecology offers the unique opportunity to examine language planning and policy issues within a small speech community The languages within the ecology include several Chinese varieties such as Cantonese Putonghua and Hokkien European languages like Portuguese and English and a number of Asian languages that include among others Burmese Filipino languages Japanese Timorese etc As the smallest city in South China's Pearl River Delta Macau has sought to maintain cultural and linguistic independence from its larger neighbours and independence has been built upon an historic commitment to multilingualism and cultural plurality As economic development and globalisation offer new opportunities to a growing middle class the sociolinguistics of a small society constrain and influence the language policies that the territory seeks to implement Macau's multilingual and pluralistic response to language needs within the territory echoes historical responses to similar challenges and suggests that small communities function sociolinguistically in ways that differ from larger communities
