Rip Off Report David:

A Harsh Reality , **The Great European Rip-off** David Craig, Matthew Elliott, 2009-03-05 In this EU referendum year it s time for people across Europe to look at what really goes on in Brussels in our name It has been estimated that the EU costs us around 1 000 billion a year an incredible 2000 for every man woman and child in Europe So what do we get for our money Politicians and administrators selflessly working to bring us efficient government Well targeted regulations that promote economic prosperity A safe and free society A well protected environment Help for people in poorer countries Or is our money being squandered by a self serving euro elite of unaccountable politicians and incompetent bureaucrats or else devoured in a feeding frenzy of fraud and corruption where a few lucky insiders become unimaginably rich at our expense And is the tsunami of regulation pouring out of Brussels in reality strangling industry destroying jobs restricting personal freedom desecrating the environment and further impoverishing the developing world Using their extensive network of insider sources David Craig and Matthew Elliott smash through the secrecy and disinformation that are the Brussels hallmark to reveal what our European rulers are really getting up to The result is a horrifying story of bureaucracy hypocrisy and kleptocracy and how we are all suffering as a result Stop the 401(k) Rip-off! Loeper, 2009-03-23 Saving for retirement is a difficult task especially during these challenging economic times Individuals who participate in their retirement plans are being charged billions in fees annually and no one is looking out for their best interests even though the laws say both plan sponsors and employers should be held responsible for acting in their employees best interests The fact is that unless individuals are willing to stand up and secure their financial future they re likely to face less money in their retirement plan accounts and have to work longer to accumulate the funds they need for retirement In *Stop the Retirement Rip off* author David Loeper provides the necessary tools for readers to take action and make the most of their
