Urban Agriculture and Community Values

Lisa Newton,2020-03-18 This book addresses the evolving crisis in agriculture and sketches the community economy that grounds agricultural enterprise more accurately than the industrial model In its current practice agriculture is in the United States but increasingly in the rest of the world unsustainable and destructive The most immediately unsustainable feature of industrial agriculture is its dependence on the products of petroleum as feedstock for fertilizers herbicides and pesticides and as fuel for the farm machinery and transport of agricultural products into the cities The problems of agriculture and in general the food systems to which it is attached range from the vulnerability of monocultures to new and stronger pests to the emerging medical problem of obesity The need for agricultural reform is widely acknowledged one part of the new work being done suggests that food production in the cities may solve several of its problems at once This book is suitable for both undergraduate and graduate students in agriculture and environmental studies

Miraculous Abundance Perrine

Herve-Gruyer,Charles Herve-Gruyer,2016-03-14 Farmers like Charles and Perrine Herv Gruyer are beacons of light Their work allows the rest of the world to see that there is another life there is another way Eliot Coleman What began as a simple dream has turned into one of the world s most radical innovative experiments in small scale farming using the Bec Hellouin model for growing food sequestering carbon creating jobs and increasing biodiversity without using fossil fuels When Charles and Perrine Herv Gruyer set out to create their farm in a historic Normandy village they had no idea just how much their lives would change Neither one had ever farmed before Charles had been traveling the globe teaching students about ecology and indigenous cultures Perrine had been an international lawyer in Japan Their farm Bec Hellouin has since become an internationally celebrated model of innovation in ecological agriculture Miraculous Abundance is the eloquent tale of the couple s quest to build an agricultural model that can carry us into a post carbon future The authors dive deeper into the various farming methods across the globe that contributed towards the creation of the Bec Hellouin model including

Permaculture and soil health principles Korean natural farming methods Managing a four season farm Creating a productive agroecosystem that is resilient and durable Using no dig methods for soil fertility Modelling an agrarian system that supports its community in totality from craft restaurants and shared work spaces to jobs agritourism energy and ecological biodiversity Perfect for aspiring and experienced farmers gardeners and homesteaders Miraculous Abundance is a love letter to a future where ecological farming is at the centre of every community This book more about philosophy than a how to describes how two inexperienced beginners succeeded in creating a gorgeous productive self sustaining farm Marion Nestle

Eat More Raw Too Steve Charter,2015-04-05 The first book to integrate healthy living raw food and permaculture This a practical helpful and inspiring guide to eating 50%% or more raw and growing more of your own food using permaculture principles and techniques such as forest gardening This handbook for healthy sustainable living also includes a full range of delicious practical day to day raw food recipes and advice on cleansing and realistic transitioning to a healthy lifestyle Informative inspiring and very readable **The Witch's Herbal Apothecary** Marysia Miernowska,2020-01-14 The Witch s Herbal Apothecary is a magickal book of recipes rituals and materia medica for reconnecting with the power and healing of Earth Magick Author Marysia Miernowska is the Director of one of California s most renowned herbal schools and named one of the top 15 witches on Instagram marysia_miernowska by Huffington Post Mother Earth is a living entity that holds great medicine to heal us physically and spiritually However in today s modern world too many of us are separated from this source of nourishment Using the wheel of the year as a framework you ll begin to understand the currents of nature and how to weave yourself back into this great web of life Using the plants seasons and cycles as your tools you will be able to tap into the potent Earth Magick of life death renewal and rebirth You will learn ways of growing medicine harvesting from the wild or home garden processing plants and making remedies all in harmony with the seasons Each season opens a portal of magick that allows you to harvest the literal and spiritual gifts the Earth is offering at that time The Witch s Herbal Apothecary will awaken the Witch inherent in every wild soul and guide her into an empowered relationship of healing and magick with the natural world **Harvest Celebrations** Amara Jensen,AI,2025-03-06 Harvest Celebrations explores humanity s universal tradition of celebrating nature s bounty through harvest festivals revealing these events as vital expressions of a society s worldview rather than mere quaint traditions Delving into the cultural traditions and religious studies surrounding the agricultural cycle the book examines how societies express gratitude and ensure continued prosperity For example many such celebrations reinforce community bonds and redistribute resources The book progresses from an introduction to universal themes like gratitude to focused examinations of specific festivals such as Thanksgiving the Mid Autumn Festival and Pongal It then synthesizes diverse examples to argue that harvest celebrations represent a fundamental human response to the natural world Did you know that these festivals serve as a mechanism for reinforcing community bonds redistributing resources and ensuring the continued fertility of the land This unique approach combines
