Interest in data has been growing in recent years. An Invitation to Environmental Sociology Michael Mayerfeld Bell, Loka L. Ashwood, Isaac Sohn, Leslie, Laura Hanson Schlachter, 2020-09-23 If there were ever a time for environmental sociology, it is now. As COVID-19 is spreading across our communities, our countries, our world, we have all become too familiar with maintaining that awful term of social distance. Yet there can be no true distance from that which is always with us and within us: our social ecology. *An Invitation to Environmental Sociology* invites students to delve into this rapidly changing field. Written in a lively, engaging style, the authors cover a broad range of topics in environmental sociology with a personal passion rarely seen in sociology texts.
