Nouvel Ordre Democratique Jerome Sainte Marie:

The French Centre Right and the Challenges of a Party System in Transition William Rispin, 2020-11-30 This book argues that the defeat of the main French Centre Right party in the 2017 presidential and legislative elections and its subsequent disintegration were the result of a failure to respond effectively to the challenges posed by a continuing realignment of the party system By the start of the Hollande presidency many sections of the electorate had lost faith in the traditional parties of government and the ideologies which they represented and were adopting a more individualist approach to politics The Left Right divide which had determined relations between parties since the creation of the Fifth Republic in 1958 gave way to a new arrangement based on three axes identity liberal economics and Europe These policy areas would provoke major differences of opinion among supporters of the Centre Right and lead a significant number of them to abandon Les Republicains which was a major factor in the election of Emmanuel Macron

politique française risque d'être absente du tour décisif. Elle laissera alors la place au parti de Marine Le Pen et notre vie démocratique s'en trouvera bouleversée. Ces glissements de terrain politiques se produisent dans un contexte de crise sociale sans précédent avec une opinion publique exaspérée et disponible pour un changement radical. L'actuel jeu de trois est trop instable pour durer, une vaste recomposition se prépare. Pour en cerner les contours et mesurer les enjeux, l'auteur a mobilisé sa pratique du monde politique, sa connaissance des évolutions de l'opinion publique et son suivi des travaux universitaires. Il en résulte une enquête objective et passionnée sur le nouvel ordre démocratique qui sortira des urnes à l'horizon 2017.
