Bailey,2010 Providing a clear framework this volume helps school leaders align assessment and reporting practices with standards based education and develop more detailed reports of children s learning and progress

*Classroom Assessment & Grading that Work* Robert J. Marzano,2006 Robert J Marzano distills 35 years of research to bring you expert advice on the best practices for assessing and grading the work done by today s students   **Ready for What?** M. Elizabeth Graue,1993-01-01 This book looks at readiness from a different perspective arguing that we must move away from the readiness as child characteristic so prevalent in education and the popular press Instead readiness is explained as an idea constructed by parents teachers and children as they interact in their neighborhoods and communities Graue describes three communities in the same school district a middle class suburban town of professionals a rural working class community and a group of Hispanic working class families making their way through their children s kindergarten experiences In each setting the local meaning of readiness is the underlying theme in the actions taken by parents and their attitudes about their children s first public school experience   **The Other Side of the Report Card** Maurice J. Elias,Joseph J. Ferrito,Dominic C. Moceri,2015-12-14 To better serve the whole child look at the whole report card Although parents and teachers spend more time in conferences talking about behavior than they do about rubrics and test scores too many teachers are still guessing when it comes to using outdated behavior ratings and comments to describe the whole child With this book you ll take report cards to the next level integrating social emotional learning and character development into any grading system Resources include Guided exercises for analyzing existing report cards Suggested report card designs Tips on improving teacher parent communication Case studies Testimonials from teachers and students   **The Leaders of Their Own Learning Companion** Ron Berger,Anne Vilen,Libby Woodfin,2019-10-01 A New Companion to Leaders of Their

Own Learning Puts Students in Charge of Their Learning and Growth Five years after the publication of Leaders of Their Own Learning EL Education is back with a new companion guide to help you tackle the common challenges of student engaged assessment This unique student centered approach to assessment equips and compels students to understand goals for their learning and growth track their progress toward those goals and take responsibility for reaching them EL Education has more than 25 years of experience supporting school transformation through student engaged assessment With their new book The Leaders of Their Own Learning Companion they have harvested the best tools and wisdom from schools across the country to help you hone student led assessment practices in your classroom and school Identifies the common challenges of implementing each of the eight interrelated student engaged assessment practices from Leaders of Their Own Learning and provides strategies and tools for tackling them Offers practical tips for school leaders Deepens your learning with 46 videos and an online toolbox The Leaders of Their Own Learning Companion is designed for teachers and leaders of all grade levels and no prior knowledge of the original Leaders of Their Own Learning is necessary to make the most of this book
