Notes From Underground Classic Reads From Roads:

Rent Boy Pete May, 2012-03-20 Before Pete May became a journalist he was a punk struggling to find a decent flat in Thatchers England Only rent landlords and asbestos stood between him and independent living With Dexys Midnight Runners blaring from his speakers May searched all of London for sane roommates and functional plumbing Finding refuge in a group of like minded Londoners he was able to find comedy and hope amidst the cycle of packing boxes and heartbreak This is a story of a real estate misfit one that should give strength to those working their way through the next rental application

A Cultural History of Tragedy in the Modern Age Jennifer Wallace, 2021-05-20 In this book leading scholars come together to provide a comprehensive wide ranging overview of tragedy in theatre and other media from 1920 to the present The 20th century is often considered to have witnessed the death of tragedy as a theatrical genre but it was marked by many tragic events and historical catastrophes from two world wars and genocide to the proliferation of nuclear weapons and the anticipation and onset of climate change The authors in this volume wrestle with this paradox and consider the degree to which the definitions forms and media of tragedy were transformed in the modern period and how far the tragic tradition updated in performance still spoke to 20th and 21st century challenges While theater remains the primary focus of investigation in this strikingly illustrated book the essays also cover tragic representation often re mediated fragmented and provocatively questioned in film art and installation photography fiction and creative non fiction documentary reporting political theory and activism Since 24 7 news cycles travel fast and modern crises cross borders and are reported across the globe more swiftly than in previous centuries this volume includes intercultural encounters various forms of hybridity and postcolonial tragic representations Each chapter takes a different theme as its focus forms and media sites of performance and circulation communities of production and consumption philosophy and social theory religion ritual and myth politics of city and nation society and family and gender and sexuality

Handbook of Literary Apologetics Thomas L. Martin, 2025-08-18 Literature s probative force travels across the realm of sense in this world to what lies beyond it When we speak of what is beyond our grasp in this world we think most immediately of the world of the spirit Shakespeare famously celebrates literature s power to explore the forms of things unknown How many great works of literature guide us through a familiar world to the edge of the spiritual unknown Not only Shakespeare but Dante Milton Dostoevsky Hopkins Eliot O Connor and many others in these pages carry us there This book follows their quest Literary apologetics is the study of the characteristic moves by the authors who take readers on their journey of faith with them Most notably that tradition begins with Latin authors spreads across Europe in a continuous literary culture and extends over world literature to the present day While early apologetics is proclamation rhetoric philosophy and poetry above all it is witness to the faith manifesting itself in time The early faith community produces a distinct literary culture as Christian witness takes all these forms and more From then until now this kind of literature probes ultimate questions adumbrates numinous experience and extrapolates ethical outcomes of Christian teachings across a wide variety of literary forms The Handbook of Literary Apologetics provides an authoritative introduction to the scope of this tradition and its major figures
