Nothing Left To Lose Chapter 1 Wattpad:

Nothing Left to Lose Kirsty Moseley, 2017-08-07 Annabelle Spencer's life is every girl's dream. She has wonderful parents, great friends, and of course the perfect boyfriend Jack Roberts. But her dream life turns into a nightmare when on the night of her sixteenth birthday Jack is murdered right in front of her and she's kidnapped by his murderer Carter Thomas and held for ten months. Three years on, Anna is no longer the happy-go-lucky girl that everyone used to know and love; she's now cold, hard, and suffers from night terrors. It appears that during her time with him, Carter broke not only her body but her spirit too. Carter is currently serving time for the murder of Jack, a conviction that Anna helped secure. But his retrial is coming up because some key evidence appears to have been tampered with. Needing to ensure his daughter's safety, Presidential Candidate Senator Spencer tasks in Ashton Taylor, a newly qualified SWAT agent, to guard the broken girl and keep her safe until the end of the trial. For three years, Anna has refused to feel emotion or pain, but can Ashton help her rebuild her life and finally deal with the grief of losing her childhood sweetheart? Will he be the one to make her see that life is in fact worth living and that not all men will hurt her?
