Standards of English in Higher Education Neil Murray, 2016 A frank and critical appraisal of English language proficiency as a key issue in higher education today

Refinement of Production Engines and New Control Strategies Jay Meldrum, 2017-03-01 This collection is a resource for studying the history of the evolving technologies that have contributed to snowmobiles becoming cleaner and quieter machines Papers address design for a snowmobile using the EPA test procedure and standard for off road vehicles along with more stringent U S National Park Best Available Technology BAT standards that are likened to those of the California Air Resourced Board CARB Innovative technology solutions include Standard application for diesel engine designs Applications to address and test both engine and track noise Benefits of the Miller cycle and turbocharging The SAE International Clean Snowmobile Challenge CSC program is an engineering design competition The program provides undergraduate and graduate students the opportunity to enhance their engineering design and project management skills by reengineering a snowmobile to reduce emissions and noise The competition includes internal combustion engine

categories that address both gasoline and diesel as well as the zero emissions category in which range and draw bar performance are measured The goal of the competition is designing a cleaner and quieter snowmobile The competitors modified snowmobiles are also expected to be cost effective and comfortable for the operator to drive Optical Fiber Communication Systems with MATLAB® and Simulink® Models Le Nguyen Binh,2014-12-01 Carefully structured to instill practical knowledge of fundamental issues Optical Fiber Communication Systems with MATLAB and Simulink Models describes the modeling of optically amplified fiber communications systems using MATLAB and Simulink This lecture based book focuses on concepts and interpretation mathematical procedures and engineering **State Formation After Civil**

War Derek M Powell,2016-08-05 State formation after civil war offers a new model for studying the formation of the state in a national peace transition as an integrated national phenomenon Current models of peacebuilding and state building limit that possibility reproducing a fragmented selective view of this complex reality Placing too much emphasis on state building as design they place too little on understanding state formation as unplanned historical process The dominant focus on national institutions also ignores the role that cities and civic polities have played in constituting the modern state Mining ideas from many disciplines and evidence from 19 peace processes including South Africa the book argues that the starting point for building a systematic theory is to explain a distinct pattern to state formation that can be observed in practice Despite their conflicts people in fragile societies bargain terms for peaceful coexistence they make attempts to constitute the right to rule as valid state authority in circumstances prone to conflict over which they have imperfect influence not control Though the kind of institutions created will differ with context how rules for state authority are institutionalized follows a consistent basic pattern That pattern defines state formation in peace transitions as both a unified if contingent field of normative practice and an object of comparative study Where the national centric models see local government as a matter belonging to policy on decentralization for later in the reconstruction phase the book uncovers a distinct local government dimension to peace transitions A civic dimension to national conflicts that must be explained incipient or proto local authorities that emerge even during civil war in peace making after state collapse the fact that it is common for peace agreements and constitutions to include rules for local authority for local elections to be held as part of broader democratization and for laws to be enacted to establish local government as part of peace compacts The book develops the concept of local peace transition to explain the distinctive constitutive role of this local dimension in peace making and state formation This path breaking book will be of compelling interest to practitioners scholars and students of comparative constitutional studies international law peace building and state building Strategies for Compliance Alan Brener,2020-12-20 Compliance is a fundamental control function within regulated industries globally This book provides an expert introduction to corporate compliance using cases examples and insights from the financial services sector and beyond The author an experienced compliance practitioner and academic highlights compliance challenges using examples such as

Wells Fargo whistleblowing in the financial services and the mis selling of payment protection insurance in the UK banking sector The book explores strategies for creating compliant cultures and fostering regulatory trust whilst practical guidance is provided on anticipating regulatory changes Addressing organisational obstruction and delay the author presents a series of valuable tools and techniques for real world practice An essential professional development resource for board directors compliance officers and other senior managers the book also provides a unique learning and development resource for students of corporate compliance globally

Evaluation as a Tool for Research, Learning and Making Things Better Satu Kalliola, 2014-04-11 This book is one of the first of its kind to bring together a variety of perspectives on evaluation from a multidisciplinary international perspective The book with its content derived from leading experts in their chosen fields of practice illustrates the potential of evaluation to demonstrate the impact and efficiency of social interventions Examples are given of comparative effectiveness research realist evaluation and systematic reviews as well as of holistic and authentic evaluation the use of advisory groups and qualitative needs assessment The volume also presents some special evaluation tools used by national governments and which are used to influence a variety of professional practices The key features of the book are An international panel of experts sharing the expertise in evaluation Multiple perspectives on evaluation theory methodology and practices articulated through a range of interdisciplinary perspectives A primary focus on client patient and more generally human centredness Practical examples of contrasting evaluation methods in use Helpful tips and advice offered throughout The book is compiled from the work of the plenary speakers plenary panel and selected workshop presentations at the 8th International Conference on Evaluation for Practice Eval2012 held in Finland in 2012 The contributors come from Australia Brazil Finland Ireland Italy Norway the Republic of Korea the UK and the USA In line with the traditions of the conference series some contributions here are joint endeavours from academics and practitioners Evaluation as a Tool for Research Learning and Making Things Better is recommended for both academics and practitioners and will be useful for individual researchers researcher communities and students who are interested in and conduct evaluation research in various contexts including as part of service development programs and for public and private organizations which pursue good service quality with an impact

Fusion Methodologies in Crisis Management Galina Rogova, Peter Scott, 2016-01-21 The book emphasizes a contemporary view on the role of higher level fusion in designing crisis management systems and provide the formal foundations architecture and implementation strategies required for building dynamic current and future situational pictures challenges of and the state of the art computational approaches to designing such processes This book integrates recent advances in decision theory with those in fusion methodology to define an end to end framework for decision support in crisis management The text discusses modern fusion and decision support methods for dealing with heterogeneous and often unreliable low fidelity contradictory and redundant data and information as well as rare unknown unconventional or even unimaginable critical situations Also the book examines the role of context in

situation management cognitive aspects of decision making and situation management approaches to domain representation visualization as well as the role and exploitation of the social media The editors include examples and case studies from the field of disaster management **Sustainable Intensification to Advance Food Security and Enhance Climate**

Resilience in Africa Rattan Lal,Bal Ram Singh,Dismas L. Mwaseba,David Kraybill,David O. Hansen,Lars Olav Eik,2014-10-10 This 32 chapter volume represents the core of several oral and poster presentations made at the conference In addition to Introduction and Conclusion sections the book is thematically divided into 7 sections namely 1 Land Use and Farming Systems 2 Effects of Climate Change on Crop Yield 3 Soil Nutrient and Water Management for Carbon Sequestration 4 Rehabilitation of Degraded Lands through Forestry and Agroforestry 5 Management of Animal Production for Greenhouse Gas Emissions 6 Smallholder Adaptation to Climate Change and 7 Economic Social and Policy Issues It addresses these themes in the context of sustainable intensification SI It implies increasing agronomic production from the existing land while improving restoring its quality and decreasing the C or environmental footprint Simply put SI means producing more from less **Kenya** International Monetary Fund. African Dept.,2014-10-02 **KEY ISSUES** Context Kenya has embarked on major reforms in line with the 2010 constitution The new government has started the process of devolution at a fast pace introducing a reporting framework that allows for monitoring progress and challenges Macroeconomic stability in a market friendly environment continues attracting the interest of foreign investors Kenya placed its first US 2 billion Eurobond at favorable terms with proceeds to be used to upgrade power generation and transportation Promising commercial prospects of oil discoveries have the potential of providing significant foreign exchange and fiscal resources Kenya is actively participating in the integration of East Africa showing progress in reducing delays from the port of Mombasa to Kampala and Kigali Kenyan banks export their successful business models through East Africa and other countries in the region while complying with upgraded prudential regulations The Central Bank of Kenya CBK maintains proactive financial inclusion policies that have been effective in facilitating access to credit by small and medium enterprises Thanks to legal reforms the Financial Action Task Force has removed Kenya from its watch list Recent terrorist attacks and threats have raised security concerns especially in coastal areas bordering Somalia Outlook and policies Growth is projected to accelerate to 5.8 percent in 2014/15 on the back of higher public and private investment and measures to improve the business environment The 2014/15 budget aims at rebalancing recurrent and development spending Medium term fiscal policies intend to bring down the debt burden consistent with the East African Community Monetary Union EAMU Protocol convergence criteria Inflation remains broadly in check but rising food prices and rapid credit growth require careful monitoring by the CBK Focus Discussions centered on the implementation of devolution in particular on the enforcement of accountability provisions Some checks and balances are proving effective such as the required Treasury approval of guarantees for county borrowing However a more systematic framework is needed Staff and the authorities agreed that the

scale of transfers to counties magnified government's cash management problems that need to be addressed with the help of the recently introduced Treasury Single Account TSA This would also contribute to more effective monetary operations Discussions also focused on the design of the legal framework for natural resource management aimed at ensuring consistency with public finance management provisions

Environmental Law Emmanuel Onyeabor, 2024-12-21 This book offers an overview of environmental law from both an international and regional perspective focusing on global issues while at the same time offering uniquely African insights The book addresses environmental issues principles and policies from the standpoints of law and management There is a growing need for books on environmental law that integrate environmental issues principles and policies in a single source to guide practitioners in the fields of environmental studies and environmental law This book covers the corresponding principles theories procedural rights international and regional strategies liabilities and remedies for environmental damage including in to the marine environment Topics addressed include atmospheric pollution water pollution marine pollution land use and waste management Given its scope the book will be of interest to practitioners in the fields of environmental studies and environmental law corporations policymakers judges students and all others who are concerned with environmental issues principles policies and the law

Government Cloud Procurement Kevin McGillivray, 2021-12-16 In *Government Cloud Procurement* Kevin McGillivray explores the question of whether governments can adopt cloud computing services and still meet their legal requirements and other obligations to citizens The book focuses on the interplay between the technical properties of cloud computing services and the complex legal requirements applicable to cloud adoption and use The legal issues evaluated include data privacy law GDPR and the US regime jurisdictional issues contracts and transnational private law approaches to addressing legal requirements McGillivray also addresses the unique position of governments when they outsource core aspects of their information and communications technology to cloud service providers His analysis is supported by extensive research examining actual cloud contracts obtained through Freedom of Information Act requests With the demand for cloud computing on the rise this study fills a gap in legal literature and offers guidance to organizations considering cloud computing

Family Formation in 21st Century Australia Genevieve Heard, Dharmalingam Arunachalam, 2014-10-13 This book provides a detailed up to date snapshot of Australian family formation answering such questions as what do our families look like and how have they come to be this way The book applies sociological insights to a broad range of demographic trends painting a comprehensive picture of the changing ways in which Australians are creating families The first contemporary volume on the subject *Family Formation in 21st Century Australia* chronicles significant changes in partnering and fertility In the late 20th century cohabitation divorce and births outside marriage rose dramatically Yet family formation patterns continue to evolve requiring fresh analysis Even since the turn of the century divorce has stabilized and fertility has increased Using information from the 2011 Australian Census and from large scale surveys leading Australian academics dissect recent trends in cohabitation

living apart together marriage interethnic partnering relationship dissolution repartnering contraceptive use and fertility Since there is more diversity in family formation patterns than ever before the book also considers differences between groups within the Australian population Which groups are more likely to marry cohabit or have higher fertility And how do patterns differ among indigenous migrant or same sex attracted Australians **Federal Register** ,2014 Varieties of European Economic Law and Regulation Kai Purnhagen,Peter Rott,2014-07-16 This is the first book to comprehensively analyze the work of Hans Micklitz one of the leading scholars in the field of EU economic law It brings together analysts academic friends and critics of Hans Micklitz and results in a unique collection of essays that evaluate his work on European Economic Law and Regulation The contributions discuss a wide range of Micklitz work from his theoretical work on private law beyond party autonomy with a special focus on its regulatory function to the illustration of how his work has built the basis for current solutions such as used in solving the financial crisis The book is divided into sections covering foundations of private law regulatory law competition and intellectual property law product safety law consumer contract law and the enforcement of law This book clearly shows the enormous impact of Hans Micklitz work on the EU legal system in both scholarship and practice *ECEL 2016 - Proceedings of the 15th European Conference on e- Learning* , Proceedings of the 15th European Conference on e Learning ECEL 2016 **Employment Law in Context** David Cabrelli,2014 This brand new text offers a rich learning resource combining extracts from leading cases and articles with insightful author commentary This unique approach places employment law in context enabling the reader to develop a clear and sophisticated understanding of this dynamic area A running case study provides a practical perspective

This book delves into November 2013paper 1 Standard Level. November 2013paper 1 Standard Level is an essential topic that must be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into November 2013paper 1 Standard Level, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to November 2013paper 1 Standard Level
 - Chapter 2: Essential Elements of November 2013paper 1 Standard Level
 - Chapter 3: November 2013paper 1 Standard Level in Everyday Life
 - Chapter 4: November 2013paper 1 Standard Level in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, the author will provide an overview of November 2013paper 1 Standard Level. This chapter will explore what November 2013paper 1 Standard Level is, why November 2013paper 1 Standard Level is vital, and how to effectively learn about November 2013paper 1 Standard Level.
3. In chapter 2, the author will delve into the foundational concepts of November 2013paper 1 Standard Level. This chapter will elucidate the essential principles that need to be understood to grasp November 2013paper 1 Standard Level in its entirety.
4. In chapter 3, the author will examine the practical applications of November 2013paper 1 Standard Level in daily life. This chapter will showcase real-world examples of how November 2013paper 1 Standard Level can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of November 2013paper 1 Standard Level in specific contexts. The fourth chapter will explore how November 2013paper 1 Standard Level is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about November 2013paper 1 Standard Level. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of November 2013paper 1 Standard Level.
