

Practice 3

Use the following passage from Act II, scene ii of *Romeo and Juliet* to answer questions 1-15.

Juliet Juliet looks at her window

Rome But soft, what light through yonder window breaks?

- 5 It is the east, and Juliet is the sun.
Arise, fair sun, and kill the envious moon,
Who is already sick and pale with grief
That thou, her maid, art so wondrous fair.
10 Her womb is teeming to bring forth the sun, and grace,
and peace to the whole world of men!
O that I were a glove upon that face,
That I might touch that cheek!
15 Her eyes are windows, and that which shows
I see, she looks, and with her locks the sun
Turns off the flames that burn in all the houses,
Shewing more brightness, for her eyes are
20 The windows to the spheres all they show.
When yonder sun is once down, sleep is the sister of
The laughter of her cheeks, would it were three
times.
- As daylight does a lamp, her eyes do burn;
25 Sheds through the city regions beams of light
That make the night sing and think it were not
night.
How long she looks her cheeks upon her hand!
O that I were a glove upon that hand,
That I might touch that cheek!
- 30 *Jul* Ay me!
Rome Not so, gentle!
O, speak again, bright angel, for thou art
As glorious to this night, being in my bed,
As in the winged messenger of heaven.
35 Show that white upward-pointing finger
Of heaven that bids me look upon it, for
Within her beam does my hope's light shine,
And bids upon the houses of the sun.
- 40 *Jul* O Romeo, Romeo, wherefore art thou
Romeo?
Deny thy father and refuse thy name;
Or, if thou wilt not, let but me know
And I'll no longer be a Capulet.
- 45 *Rome* [Aside.] Shall I hear more, or shall I
speak at this?
Jul 'Tis but thy name that is the thing,
Thou art thyself, though not a Montague.
What's Montague? It is nor hand nor foot,
Nor arm nor face, nor any other part

- 50 Challenging to a man. O, for some other name
Which is no name! That which we call a man
By some other word would sound as sweet,
So Romeo would, were he not Romeo call'd,
Remain that dear possession which he keeps
55 Without that stain. Romeo, doff thy name,
And bring thy love, which is no part of thee,
To me all night!
- Rome* I take thee at thy word.
Call me but love, and I'll be true, baptis'd,
60 Henceforward, I never will be Romeo.
Jul What must I call thee, that thou hast sworn't
to night
So shall I never see thy countenance?
- Rome* My name is Romeo.
65 I have not love to tell thee what I am.
My name, that which is hateful to myself,
Shall as it were be a plague to thee.
Had I it written, I would tear the word.
Jul My name have you not struck a hundred
70 words.
- Of thy tongue's setting, yet I know that would
As often not become, and a falsehood!
- Rome* Pardon, that word, if it be true
Romeo.
- 75 *Jul* How came thou thence, tell me, and
wherefore?
The word is sweet, yet it is full of badness,
And the place death, considering what thou art,
If any of my kinsmen find thee here.
- 80 *Rome* With love's light wings did I
o'ersweep these walls,
For many long months had I loved thee,
And what love can do, that none have thought,
Therefore thy kinsmen will not stop to me.
- 85 *Jul* If they do, what then, they will murder thee.
Rome Alas, there late more good in those
eyes
Than twenty of their mortal! Look thou but
sorrow,
90 And I am proof against their envy.
Jul I would not for the world they saw thee
here.
- Rome* I have night's cloak to hide me from
their eyes,
95 And but thou know'st me, let them find me here,
My life were better ended by their hands,
Than death, preying on, working on thy love.

Romeo And Juliet Applied Practice
