Dear Mr. Fuller,

I am writing to inform you that I have made the decision to withdraw from the academic program at Skyler University. Please accept this letter as my formal notice of withdrawal effective immediately.

After careful consideration and personal reflection, I have come to the conclusion that pursuing a different career path aligns better with my long-term goals and aspirations. While I am grateful for the knowledge and experiences I have gained during my time in the program, I believe it is in my best interest to explore other opportunities.

I would like to express my sincere appreciation to the university for providing me with a quality education and for the support of the faculty and staff. The knowledge I have acquired will undoubtedly benefit me in my future endeavors. I am confident that the skills and learning acquired during my time at Skyler University will contribute to my overall personal and professional growth.

I understand that there are procedures and paperwork involved in the formal process of withdrawal. Kindly provide me with any necessary instructions or documentation that I need to complete to ensure a smooth and timely withdrawal from the program.
