An EasyGuide to APA Style Beth M. Schwartz, 2016-02-25 Written by experienced psychology instructors Beth M. Schwartz, R. Eric Landrum, and Regan A. R. Gurung, all active and respected members of the American Psychological Association (APA) Society for the Teaching of Psychology, the updated Third Edition of An EasyGuide to APA Style provides a reader-friendly guide for mastering APA style and covers all sections of an APA style paper. Clear, conversational, and humorous, the book presents easy-to-understand explanations of how to write research papers, term papers, and lab reports and cite references following APA style and format. The authors focus on the most essential elements of APA style and format, offering useful advice, tips, and visual representations.

A Short Guide to Writing about Psychology Dana S. Dunn, 2024-03-25 Tailored for all levels, this updated classic equips psychology students with the tools needed to clearly articulate complex ideas, navigate the nuances of APA style, and succeed in academic and professional endeavors. Whether drafting a first research paper or preparing for publication, this guide is an indispensable companion on the journey to mastering psychological communication. New to the fourth edition: Integration of APA 7th edition style updates; Expanded reference materials including the latest in citation practices for websites and other online resources; Enhanced advice on using gender-neutral language and writing inclusively about sexual orientation; Annotated student paper examples following the updated APA format; New exercises at the end of chapters to refine and test writing skills; Updated list of psychology journals.

APA Made Easy | In Accordance with the 6th Edition APA Manual Scott Matkovich, 2012 15 Minutes That's as long as we think any student should have to spend formatting their papers. Unfortunately, students often spend hours trying to find answers from hard-to-follow manuals or confusing websites. Whether you want a step-by-step guide to building a title page, suggestions for writing with greater clarity or freedom from doing internet searches every time you have a question about APA standards, APA Made Easy is the only blueprint that you will need for writing in APA style. This comprehensive writing guide includes illustrated steps for formatting an APA document in Microsoft Word 2010, Microsoft Word 2011 for Mac, Microsoft Word 2013, and Apple's Pages programs. You will also learn how to build an APA-formatted paper from the ground up by understanding: How to outline information you've already gathered; How to write an essay or research paper from an outline; How to write a solid introduction; How to use the required headings in a research paper, including Abstracts, Method, Subjects and Participants, Materials or Apparatus, Results, and Discussion sections; Building Citations within your paper and on your Reference page. Also included in this guide: APA examples and high-resolution screen shots to help students correctly format documents within 15 minutes; Over 150 completed Reference examples; Over 60 completed In-Text Citation examples; How to use Headings effectively in your writing; Specific examples that cover how to cite new media such as blog posts, emails, websites, online lectures, computer programs, social media, and much more. A new section on using and citing DOI's (Digital Object Identifiers) for new media. A Short Sample paper in APA format. For more information,
