# Personal Identity Paperback

**Gerald Izenberg**

## **Personal Identity Paperback:**

**I** Jonathan Glover, 1989      *Personal Identity*, 1990      Discover Your Identity Jennifer Lynn Adams, 2023-09-30 Discover Your Identity book 1 of the Identity series takes the reader on a journey to discover the core elements of their identity which includes their unique gifts talents and purpose in life Jennifer shares her own special journey to discovering her identity Each chapter covers a different topic of identity At the end of each chapter are questions that prompt the discovery process

**Personal Identity** Sydney Shoemaker, Richard Swinburne, 1984-01-01 What does it mean to say that this person at this time is the same as that person at an earlier time If the brain is damaged or the memory lost how far does a person's identity continue In this book two eminent philosophers develop very different approaches to the problem      **Personal Identity and Buddhist Philosophy** Mark Siderits, 2017-05-15 Since the publication of Mark Siderits' important book in 2003 much has changed in the field of Buddhist philosophy There has been unprecedented growth in analytic metaphysics and a considerable amount of new work on Indian theories of the self and personal identity has emerged Fully revised and updated and drawing on these changes as well as on developments in the author's own thinking *Personal Identity and Buddhist Philosophy* second edition explores the conversation between Buddhist and Western Philosophy showing how concepts and tools drawn from one philosophical tradition can help solve problems arising in another Siderits discusses afresh areas involved in the philosophical investigation of persons including vagueness and its implications for personal identity recent attempts by scholars of Buddhist philosophy to defend the attribution of an emergentist account of personhood to at least some Buddhists and whether a distinctively Buddhist antirealism can avoid problems that beset other forms of ontological anti-foundationalism      Identity, Personal Identity, and the Self John Perry, 2002 This volume collects a number of Perry's classic works on personal identity as well as four new pieces *The Two Faces of Identity* *Persons and Information* *Self Notions* and *The Self and The Sense of Identity* Perry's Introduction puts his own work and that of others on the issues of identity and personal identity in the context of philosophical studies of mind and language over the past thirty years      **Personal Identity** Harold Noonan, 2019-02-21 Who am I What is a person What does it take for a person to persist from one time to another What is the relation between the mind and the body These are just some of the questions that constitute the problem of personal identity one of the oldest and most fundamental of philosophical questions *Personal Identity* Third Edition is a clear and comprehensive introduction to these questions and more Harold Noonan places the problem of personal identity in the context of more general puzzles about identity discussing the major historical theories and more recent debates The book also includes essential historical and philosophical background to the problem of personal identity as found in the arguments of Locke Reid and Hume among others The third edition of *Personal Identity* has been thoroughly reviewed in light of advances in the latest literature and research This includes significant revision to the important problems of the simple and complex distinction and its relation to reductionism temporal parts and the distinction between perdurance and endurance

theorists Noonan also includes an up to date examination of personal identity and memory and personal identity and animalism particularly the work of Shoemaker Parfit Olson and hybrid theorists Including helpful chapter summaries and annotated further reading at the end of each chapter Personal Identity Third Edition is essential reading for all students of philosophy of mind and metaphysics as well as students interested in ethics

**Identity, Personal Identity, and the Self** John Perry, 2002-09-13 This volume collects a number of Perry's classic works on personal identity as well as four new pieces The Two Faces of Identity Persons and Information Self Notions and The Self and The Sense of Identity Perry's Introduction puts his own work and that of others on the issues of identity and personal identity in the context of philosophical studies of mind and language over the past thirty years

**Personal Identity & Fractured Selves** Debra J. H. Matthews, Hilary Bok, Peter V Rabins, 2009-10-12 In this anthology noted neurologists and philosophers explore the concept of personal identity and the ethics of treating brain disease and injury When an individual's personality changes radically because of disease or injury should this changed individual be treated as the same person Personal Identity and Fractured Selves explores this important question from a variety of perspectives Its contents represent the first formal collaboration between the Brain Sciences Institute and the Berman Institute of Bioethics both at the Johns Hopkins University Rapid advances in brain science are expanding knowledge of human memory emotion and cognition and pointing the way toward new approaches for the prevention and treatment of devastating illnesses and disabilities Through case studies of Alzheimer disease frontotemporal dementia deep brain stimulation and steroid psychosis the contributors highlight relevant ethical and social concerns that clinicians researchers and ethicists are likely to encounter Contributors Samuel Barondes M D University of California San Francisco David M Blass M D Johns Hopkins University School of Medicine Patrick Duggan A B Johns Hopkins Berman Institute of Bioethics Ruth R Faden Ph D M P H Johns Hopkins Berman Institute of Bioethics Michael S Gazzaniga Ph D University of California Santa Barbara Guy M McKhann M D Johns Hopkins University School of Medicine John Perry Ph D Stanford University Carol Rovane Ph D Columbia University Alan Regenberg M Be Johns Hopkins Berman Institute of Bioethics Marya Schechtman Ph D University of Illinois at Chicago Maura Tumulty Ph D Colgate University

**Handbook of Self and Identity, Second Edition** Mark R. Leary, June Price Tangney, 2011-12-21 Widely regarded as the authoritative reference in the field this volume comprehensively reviews theory and research on the self Leading investigators address this essential construct at multiple levels of analysis from neural pathways to complex social and cultural dynamics Coverage includes how individuals gain self awareness agency and a sense of identity self related motivation and emotion the role of the self in interpersonal behavior and self development across evolutionary time and the lifespan Connections between self processes and psychological problems are also addressed New to This Edition Incorporates significant theoretical and empirical advances Nine entirely new chapters Coverage of the social and cognitive neuroscience of self processes self regulation and health self and emotion and hypoegeic states such as mindfulness

**Personal Identity, the Self, and Ethics** F. Santos, Santiago Sia, 2007-08-16 Going beyond the controversy surrounding personhood in non philosophical contexts this book defends the need for a credible philosophical conception of the person Engaging with John Locke Derek Parfit and P F Strawson the authors develop an original philosophical anthropology based on the work of Charles Hartshorne and A N Whitehead      **The Mystery of Personal Identity** Michael Mayer, 1985-01-01

**Social and Personal Identity** Derek Layder, 2004-02-24 How can you understand yourself Where do your views attitudes and values come from and why do they change This accessible and illuminating book provides a reliable guide to these questions The book Demonstrates that personal identity is formed around basic needs for security and self esteem and the personal desires that flow from them Shows the role of the emotions in personal life Explores the limits of approaches that deny the existence of individuals and personal experience Demonstrates how we build on everyday problems and dilemmas of life to shape our moods attitudes and feelings Shrewd and compelling the book will be of interest to anyone studying Social Psychology and Sociology      *Personal Identity* Ellen Frankel Paul, Fred Dycus Miller, Jeffrey Paul, 2005 What is a person What makes me the same person today that I was yesterday or will be tomorrow Philosophers have long pondered these questions In Plato s Symposium Socrates observed that all of us are constantly undergoing change we experience physical changes to our bodies as well as changes in our manners customs opinions desires pleasures pains and fears Aristotle theorized that there must be some underlying substratum that remains the same even as we undergo these changes John Locke rejected Aristotle s view and reformulated the problem of personal identity in his own way is a person a physical organism that persists through time or is a person identified by the persistence of psychological states by memory These essays written by prominent philosophers and legal and economic theorists offer valuable insights into the nature of personal identity and its implications for morality and public policy      **The Early Modern Subject** Udo Thiel, 2011-09-29 Udo Thiel presents a critical evaluation of the understanding of self consciousness and personal identity in early modern philosophy He explores over a century of European philosophical debate from Descartes to Hume and argues that our interest in human subjectivity remains strongly influenced by the conceptual framework of early modern thought      **Jewish Youth around the World, 1990-2010** Erik H. Cohen Z"l, 2014-08-07 In Jewish Youth around the World 1990 2010 Social Identity and Values Erik Cohen offers a rich and multi faceted picture of Jewish adolescents and young adults today Based on numerous empirical studies conducted by the author over the course of two decades among various populations in Israel and every major Diaspora country it considers a range of issues including demographics and migration patterns Jewish identity involvement in the Jewish community leisure time activities values relationship to Israel and to the global Jewish collective In depth analysis of the data uncovers similarities and differences of various sub populations by nationality level of religiosity age gender and more The book is pioneering in its comparative approach to Jewish youth around the world      **My Paperback Book** Julian Scutts, 2016-11-24 The allegory as a literary device is too often dismissed as being artificial and

contrived yet one scholar admits that an allegory arises spontaneously when a writer allows a symbolic traveller make one step towards a symbolic mountain Therefore the resultant allegory cannot be subject to the writer s full control and conscious powers of prediction and determination It has a life of its own      **Book Clubs** Elizabeth Long,2003-08 Long spent years observing and participating in women s book clubs and shows how they have become a vital arena for self information one that has as much currency now as it did a century ago      **Self, Identity, and Collective Action** Francine Tremblay,2023-08-29 Based on the work of George Herbert Mead Han Joas and Axel Honneth as well as the author s own personal and academic identities and journeys Self Identity and Collective Action argues that the self and action are strictly related Reading these authors provided Francine Tremblay with the theoretical ground to stand on while thinking about identity and how it is linked to civic participation She posits that Mead s work and its link to action must be revisited and given its rightful place in sociology and thatsociology must be radical committed and passionate      Identity Gerald Izenberg,2019-03-08 Identity The Necessity of a Modern Idea is the first comprehensive history of identity as the answer to the question who or what am I It covers the century from the end of World War I when identity in this sense first became an issue for writers and philosophers to 2010 when European political leaders declared multiculturalism a failure just as Canada which pioneered it was hailing its success Along the way the book examines Erik Erikson s concepts of psychological identity and identity crisis which made the word famous the turn to collective identity and the rise of identity politics in Europe and America varieties and theories of group identity debates over accommodating collective identities within liberal democracy the relationship between individual and group identity the postmodern critique of identity as a concept and the ways it nonetheless transformed the social sciences and altered our ideas of ethics At the same time the book is an argument for the validity and indispensability of identity properly understood Identity was not a concept before the twentieth century because it was taken for granted The slaughter of World War I undermined the honored identities of prewar Europe and as a result the idea of identity as something objective and stable was thrown into question at the same time that people began to sense that it was psychologically and socially necessary We can t be at home in our bodies act effectively in the world or interact comfortably with others without a stable sense of who we are Gerald Izenberg argues that while it is a mistake to believe that our identities are givens that we passively discover about ourselves decreed by God destiny or nature our most important identities have an objective foundation in our existential situation as bodies social beings and creatures who aspire to meaning and transcendence as well as in the legitimacy of our historical particularity

Ignite the flame of optimism with is motivational masterpiece, Fuel Your Spirit with **Personal Identity Paperback** . In a downloadable PDF format ( PDF Size: \*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
