An Army of Ordinary People Felicity Dale,2010-06-24 An Army of Ordinary People contains the key to explosive transformational 21st century evangelism Renowned church planter Felicity Dale shares stories of how God has always used

and is still using ordinary believers to carry out his work in simple ways throughout the world Some of these stories are dramatic people being led to the Lord by the friends who counseled them through drug addictions and criminal pasts Some are everyday a dad spending his Sunday teaching Bible lessons to his kids or a couple inviting their neighbors over to dinner and a spiritual discussion But in each of them there is a light bulb moment when someone just like you thinks I can do that And as a result the gospel is spreading and lives are being changed

The Collected Poems of Delmore Schwartz

Delmore Schwartz, 2024-04-02 The first complete collection of the poetry of Delmore Schwartz the most underrated poet of the twentieth century John Berryman When Delmore Schwartz published his first short story In Dreams Begin Responsibilities in Partisan Review in 1937 he became an instant literary celebrity After the appearance of his first book by the same name he was inundated with praise The famed poet Allen Tate wrote to him Your poetic style is beyond any doubt the first real innovation that we've had since Eliot and Pound and T S Eliot himself wrote Schwartz a letter asking him to compose more poetry The brilliant start of his career is matched perhaps only by its tragic end a lonely death after an extended period of alcoholism depression and derangement Today more than fifty years after his death in 1966 Schwartz is often remembered for the tragedy of his life rather than for the innovation and sad brilliance of his greatest work This book brings together all of Schwartz's poetry for the very first time from his groundbreaking debut collection to his unpublished late work which he kept writing until his death Accompanied by Ben Mazer's illustrative notes and introduction The Collected Poems of Delmore Schwartz offers readers the long awaited opportunity to rediscover one of the most influential and original poets of the twentieth century As Mazer writes in his introduction It is the poems that count now And it is the glory of the poems that survives here awaiting new life
