the book As far as ranking the top point guards in the history of the NBA is concerned no list would be truly complete without Jason Kidd somewhere on top of all of the other playmakers the league has seen Why not He is an NBA champion a 10 time All Star a six time All NBA Team member a nine time All Defensive Team selection a two time Olympic Gold medalist and a five time assist leader On paper alone you would see how valuable of a point guard Kidd was in his 19 year NBA stint However there were also times when he was not truly befitting of being called a historically elite point guard because of all the criticisms and shortcomings he has had as a player He came into the league with virtually no jump shot and a very minimal offensive repertoire He has had struggles with coaches and even for a while lacked the work ethic needed to be elite And for most of his career he was never the leader of a championship team But for all those criticisms and downsides to his game Jason Kidd was always a leader that made his other teammates great by doing everything else on the court He always made it a point to find teammates because scoring the ball himself was never really his top priority His ability to rebound the ball at a high level for a point guard made sure he could trigger fast break opportunities at a quick rate And his ability to defend every guard position earned him the reputation of being an elite defender in his prime Kidd s vast array of skills made him a ray of sunshine to a franchise because he always lifted his teammates up in every way possible Tags Jason Kidd Bio Jason Kidd basketball New Jersey Nets basketball Steve Nash Vince Carter Kevin Garnett Gary Payton Ray Allen Jason Terry Dirk Nowitzki Richard Jefferson *Heaven's Point Guard* Ken Gentrup,Shaun C. Basketball Legacy and Future An excerpt from this Damian Lillard biography Historically and no matter what era you look at the point guard has always been arguably the most critical position out on the court when you talk about the NBA brand of basketball Some of the greatest championship teams in the history of the league had a point guard that allowed them to perform well on both ends of the floor The 50s and 60s Boston Celtics had the services of Bob Cousy who is regarded as the pioneer at the point guard position because of his excellent ball handling skills and passing ability The 60s and early 70s era of the Los Angeles Lakers thrived under the hot shooting and playmaking of Jerry West who was so good that he was used as the model for the NBA s logo The 1971 championship team of the Milwaukee Bucks had Oscar Robertson who was putting up triple doubles at a rapid pace a few years back when he was still in his prime handling the point and passing the ball to Kareem Abdul Jabbar And who could ever disregard Magic Johnson the man responsible for the Los Angeles Lakers dynasty of the 80s and the playmaker regarded as the best to play at his position The 90s and 2000s also saw their share of terrific point guards who may not have won titles because of the dominance of teams like the Michael Jordan Chicago Bulls Shaq and the Big Three San Antonio Spurs that revolved around Tim Duncan Such all time great point guards are Penny Hardaway Kevin Johnson Jason Kidd and Steve Nash Did you like this short excerpt Then scroll up and buy a copy of this Damian Lillard biography today Tags Damian Lillard biography Portland Trailblazers basketball Damian Lillard book books for basketball fans
