Victorian Ecocriticism Dewey W. Hall, 2017-10-16 *Victorian Ecocriticism: The Politics of Place and Early Environmental Justice* aims to take up the challenge that Lawrence Buell lays out in *The Future of Environmental Criticism: Environmental Crisis and Literary Imagination* 2005 Buell decries For in order to bring environmental justice into ecocriticism a few more articles or conference sessions won't suffice There must be a fundamental rethinking and reworking of the field as a whole Buell 113 While discussions about nature conservation and

preservation have been important within the context of ecocriticism Buell asserts that the holy grail for the field is actually how literary critics engage in discourse about questions of place as space humanized for the purpose of tracing disclosing and advancing the important issue of environmental justice as it applies to human beings animals and plants The fundamental reworking or shift in the field of Victorian Studies really has to do with the dearth of ecocritical publishing about seminal authors and literary texts Victorian Ecocriticism aims to participate in filling that vacuum lack or lacuna by featuring current research about the Victorian era from an ecocritical perspective Victorian Ecocriticism hopes to identify establish and organize its content based on six themes Ecocriticism Ecocriticism Ecogothicism Ecocriticism Ecotheology and Ecological Interdependence The edited collection thus has two aims First selected places among others featured in the edition will provide environmental contexts often with political implications American rural landscape e g Walden Pond Australian mines British hill country metropolis mill towns the sea and the woods Second the edition includes discussions about various instances of early environmental justice evident during the mid nineteenth century such as but not limited to anti railway campaigns biological egalitarianism labor disputes due to adverse working conditions patterns of displacement reactions to Victorian scientism resistance to enclosure and working class education Victorian Ecocriticism is an interdisciplinary edition It focuses on Victorian literature as the foundational discipline linked to various disciplines such as ecology evolutionary biology natural history and soil science The topics are wide ranging significant and contemporary discussing the politics of place as well as early environmental justice

Transatlantic Literary Ecologies Kevin Hutchings, John Miller, 2016-11-18 Opening a dialogue between ecocriticism and transatlantic studies this collection shows how the two fields inform complement and complicate each other The editors situate the volume in its critical contexts by providing a detailed literary and historical overview of nineteenth century transatlantic socioenvironmental issues involving such topics as the contemporary fur and timber trades colonialism and agricultural improvement literary discourses on conservation and the consequences of industrial capitalism urbanization and urban environmental activism The chapters move from the broad to the particular offering insights into Romanticism's transatlantic discourses on nature and culture examining British Victorian representations of nature in light of their reception by American writers and readers providing in depth analyses of literary forms such as the adventure novel travel narratives and theological and scientific writings and bringing transatlantic and ecocritical perspectives to bear on classic works of nineteenth century American literature By opening a critical dialogue between these two vital areas of scholarship Transatlantic Literary Ecologies demonstrates some of the key ways in which Western environmental consciousness and associated literary practices arose in the context of transatlantic literary and cultural exchanges during the long nineteenth century

Experimentalism in Wordsworth's Later Poetry Tim Fulford, 2023-06-29 Tim Fulford provides detailed readings of a range of little known late and difficult poems which together present an alternative Wordsworth to the one we are used to This newly revealed Wordsworth continued experimenting with

form genre and style as his career progressed so as to ponder the challenging experiences presented by later life Fulford invites the reader to engage through Wordsworth's poetry with such broadly felt concerns as quarantine isolation mental illness and bereavement Focused yet broad in chronological scope this study also considers the literature of Wordsworth's old age in relation to his earlier work

The Environment and Literature of Moral Dilemmas David

Aberbach, 2021-08-18 Exploring the literature of environmental moral dilemmas from the Hebrew Bible to modern times this book argues the necessity of cross disciplinary approaches to environmental studies as a subject affecting everyone in every aspect of life Moral dilemmas are central in the literary genre of protest against the effects of industry particularly in Romantic literature and Condition of England novels Writers from the time of the Industrial Revolution to the present including William Blake Elizabeth Gaskell Charles Dickens mile Zola Henrik Ibsen Anton Chekhov T S Eliot John Steinbeck George Orwell and J M Coetzee follow the Bible in seeing environmental problems in moral terms as a consequence of human agency The issues raised by these and other writers including damage to the environment and its effects on health and quality of life particularly on the poor economic conflicts of interest water and air pollution deforestation and the environmental effects of war are fundamentally the same today making their works a continual source of interest and insight Sketching a brief literary history on the impact of human behavior on the environment this volume will be of interest to readers researching environmental studies literary studies religious studies and international development as well as a useful resource to scientists and readers of the Arts

The Routledge Research Companion to Nineteenth-Century British Literature and Science John Holmes, Sharon Ruston, 2017-05-18

Tracing the continuities and trends in the complex relationship between literature and science in the long nineteenth century this companion provides scholars with a comprehensive authoritative and up to date foundation for research in this field In intellectual material and social terms the transformation undergone by Western culture over the period was unprecedented Many of these changes were grounded in the growth of science Yet science was not a cultural monolith then any more than it is now and its development was shaped by competing world views To cover the full range of literary engagements with science in the nineteenth century this companion consists of twenty seven chapters by experts in the field which explore crucial social and intellectual contexts for the interactions between literature and science how science affected different genres of writing and the importance of individual scientific disciplines and concepts within literary culture Each chapter has its own extensive bibliography The volume as a whole is rounded out with a synoptic introduction by the editors and an afterword by the eminent historian of nineteenth century science Bernard Lightman

Working Verse in Victorian Scotland Kirstie Blair, 2019-06-20

This volume reassesses working class poetry and poetics in Victorian Britain using Scotland as a focus and with particular attention to the role of the popular press in fostering and disseminating working class verse cultures It studies a very wide variety of writers who are unknown to scholarship and assesses the political social and cultural work which their poetry performed During the

Victorian period Scotland underwent unprecedented changes in terms of industrialization the rise of the city migration and emigration This study shows how poets who defined themselves as part of a specifically Scottish tradition responded to these changes It substantially revises our understanding of Scottish literature in this period while contributing to wider investigations of the role of popular verse in national and international cultures *Deep Mapping the Literary Lake District* Joanna E. Taylor,Ian N. Gregory,2022-06-17 England s famed Lake District best known as the place of inspiration for the Wordsworths Samuel Taylor Coleridge and other Romantic era writers is the locus of this pioneering study which implements and critiques a new approach to literary analysis in the digital age Deploying innovative methods from literary studies corpus linguistics historical geography and geographical information science *Deep Mapping the Literary Lake District* combines close readings of a body of writing about the region from 1622 1900 with distant approaches to textual analysis This path breaking volume exemplifies interdisciplinarity demonstrating how digital humanities methodologies and geospatial tools can enhance our appreciation of a region whose topography has been long recognized as fundamental to the shape of the poetry and prose produced within it *Why Conserve Nature?* Stephen Thomas Trudgill,Stephen Trudgill,2022-02-24 A philosophical discussion about the meanings of nature which can give rise to our motivations to conserve nature Visual Subjectivity in Chinese and American Thought and Literature Guozhong Duan,Ming Dong Gu,2025-10-15 Providing the reader with a systematic study of visual subjectivity in comparative thought and literature this book analyses the role that vision and visibility especially interpersonal visibility plays in the constitution of subject and subjectivity in Chinese and American traditions Examining the formation of visual subjectivity in the philosophical works by major Chinese and Western thinkers this book provides a comparative study of four masterworks of Chinese and American fiction focusing on *The Plum in the Golden Vase* *The Story of the Stone* *Moby Dick* and *The Scarlet Letter* It demonstrates that there are both psychologically universal and culturally specific factors and features in the visual constitution and representation of self identity subject and subjectivity Offering fresh insights for cross cultural studies of intellectual thought literature ideology and culture through the visual lens this book will appeal to students and scholars engaged in comparative studies of Chinese and American thought literature and narrative theory Victorian Sustainability in Literature and Culture Wendy Parkins,2017-11-10 From a growing awareness of the depletion of energy resources and the perils of environmental degradation to the founding of self sufficient communities and the establishment of the National Trust the concept of sustainability began to take on a new importance in the Victorian period An emerging sense of the fragility and instability of human and natural resources and the deeply complex interweaving of the two led many Victorians to consider how to preserve or protect what they valued and how individuals communities or even nations could survive and flourish in a world of finite resources This collection explores not only nascent understandings of sustainability in ecological or environmental contexts but also encompasses consideration of the problem of psychological sustainability and emotional wellbeing in

response to the upheavals of modernity With chapters by scholars working in literary studies history cultural studies and sustainability studies the volume encompasses a wide diversity of topics objects and authors ranging from the 1850s to the early twentieth century Victorian Sustainability offers new perspectives on debates about sustainability in the present by showing how our current concerns derive from an earlier historical context

Ancestral North Ross Hagen, Mathias Nordvig, 2024-04-11 Ancestral North Spirituality and Cultural Imagination in Nordic Ritual Folk Music offers a detailed exploration of Nordic ritual folk music a music scene focused on the revival of ancient folkways and archaic music that has found remarkable popularity around the globe Once the domain of Viking reenactors and neopagan practitioners the niche sonic and visual aesthetics of this music have found widespread visibility through a new generation of popular films television series and video games The authors argue that many of these musical and media products connect with longstanding cultural attitudes about the Nordic region that conceive of it as wild exotic and dangerous while also being a place of honor community and virtue As such the Nordic region and its music often becomes a vessel for reactionary escapes from all manner of modern discontentment However the authors also posit that spending time re creating the music of an imaginary past offers participants the possibility for engagement and re enchantment in the multicultural present
