

PERSEPOLIS

A study guide prepared for students of MCC

by Dr. Cecilia Osyanju

The "Persepolis" movie successfully captures the essence of the graphic novel while taking advantage of the power of animation to deepen the emotional impact and bring Marjane Satrapi's story to a wider audience. It remains a thought-provoking cinematic adaptation that engages viewers in a reflection on the intersection of personal experience and cultural narratives.

The book, "Persepolis" is a graphic memoir by Marjane Satrapi that recounts her childhood and early adulthood in Iran during and after the Islamic Revolution. Through the eyes of a young girl, it provides a personal perspective on Iran's political and cultural changes, highlighting themes of identity, freedom, and resilience. The book is known for its engaging artwork and thought-provoking storytelling.

It is worth mentioning that both the graphic novel "Persepolis" and its animated movie adaptation offer numerous educational aspects that we shall delve into in our lesson.
