**Harnessing Negative Emotions for Self-Awareness** Self-awareness is a cornerstone of personal growth, and *Dark Insights* highlights how negative emotions can be instrumental in achieving this self-awareness. Mishra provides practical strategies for using negative emotions as tools for introspection and understanding. By examining our responses to fear, anger, and sadness, we can gain valuable insights into our values, motivations, and goals. The book offers a range of techniques for self-reflection, including journaling, mindfulness, and therapeutic practices.
