While she cherished a few female friendships Max held the opinion that women did not generally engage their minds as much as they could and tended to settle for less in their lives than she was willing to. The men she liked, educated with leisure time to fish, had more freedom and could have adventures and talk about ideas, politics, and the intricacies of fly fishing. This refined form of angling provided an escape from the mundane, and Max enjoyed the adrenaline rush of fishing and camping in the great outdoors as much as the meditative quiet time in nature. Her expertise provided the entrance she needed to thrive in a man's world, a fact reflected in her writing about the joys of casting her lines into one river after another. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Interstellar Patrol Christopher Anvil, 2003. The starship crew was stuck on a planet where the schemes of social engineers had created a nightmare of battling gangs. So they pretended to be the Royal Legions from a distant star kingdom. Things went better than they could have hoped, and the planet was rapidly becoming civilized, and then the real Royal flagship showed up.
