The Internet Playground Ellen Seiter, 2005 Based on four years of experience teaching computers to 8 12 year olds media scholar Ellen Seiter offers parents and educators practical advice on what children need to know about the Internet and when they need to know it The Internet Playground argues that contrary to the promises of technology boosters teaching with computers is very difficult Seiter points out that the Internet today resembles a mall more than it does a library While children love to play online games join fan communities and use online chat and instant messaging the Internet is also an appallingly aggressive marketer to children and as this book passionately argues an educational boondoggle

A Parent's Guide to the Internet Natalie Walker Whitlock, 2003 Called the most important human invention since fire the Internet has rapidly transformed our society For the children of today there has never been a world without the Internet it is as much a part of normal life as trips to the library were for their parents Readers do not need any special background or experience with the Internet to get the full benefit of this book A Parent's Guide to the Internet 2nd Edition offers readers fun educational projects to do with their children as well as background information on websites email instant messaging chat rooms and more The American Library Association calls the book An imaginative and valuable resource Book jacket

Neopets: The Grey Faerie Chronicles: Nomi's Quest Vivian LaRue, 2008-04-22 This first book in the Gray Faerie series follows a small faerie's quest through the magical and sometimes dangerous lands of Neopia Illustrations

Neopets: Ghoul Catchers: The Creeping Danger Vivian LaRue, 2008-04-22 Based on the online virtual world found at Neopets.com Something is awry in the land of Neopia This title is the first book in the Ghoul Catchers series which chronicles the journey of two young heroes who set out to save their home Illustrations

The Parent App Lynn Schofield Clark, 2013 New technologies offer new ways for families to connect access ideas and entertainment and manage the risks faced by children and teens but they also bring more responsibilities choices and challenges Clark argues that families experience digital and mobile technologies in their children's lives especially during the preteen and teen years quite differently depending on whether they are middle class or less advantaged Based on over ten years of interviews hundreds of parents and children The Parent App explores these differences and provides the kind of guidance backed by thorough research that parents today desperately need

Is your child safe online? Pamela Whitby, 2011-10-28 Is your child safe online Do you know what information they access on a daily basis The chances are that you are like most parents and the answer is no or at best I'm not sure These days our kids are more internet savvy than we are they know how to unblock privacy settings or get around simple parental controls Yet more and more frequently there are stories in the news about children being victims of internet crime whether through Facebook party invites cyber bullying

or worse child grooming But what can we do about it As parents we have a duty to understand the different media our children use and put in place boundaries and guidelines to protect them Is Your Child Safe Online has the practical advice you need to minimise the risk and ensure your child is protected today whilst still letting them do their homework Covering all forms of new media iPhones apps iPads twitter gaming online as well as social networking sites Is Your Child Safe Online keeps you informed of the dangers and reassures with simple straightforward advice It arms you with practical methods to make sure your child is safe All your questions answered Do children get any guidelines at school on internet use How do children use social networks chatrooms instant messaging and blogs How do I control what my children look at online or what information they give out What are the effects of time spent online on mental health and social life How do I educate my children on how they can protect themselves against cyber bullying and grooming Give yourself peace of mind with Is Your Child Safe Online the book that every careful parent should own The facts speak for themselves In the last three years the number of children belonging to a virtual world has increased from 8 million to 20 million One in five children aged five to seven are accessing the internet without parental supervision Make sure YOUR child is safe online *Time* Briton Hadden, Henry Robinson Luce, 2004-05 *PC Magazine* ,2003
