Neptune S Brood:

Neptune's Brood Charles Stross, 2013-07-02 The year is AD 7000 The human species is extinct for the fourth time due to its fragile nature Krina Alizond 114 is metahuman descended from the robots that once served humanity She s on a journey to the water world of Shin Tethys to find her sister Ana But her trip is interrupted when pirates capture her ship Their leader the enigmatic Count Rudi suspects that there s more to Krina s search than meets the eye He s correct Krina and Ana each possess half of the fabled Atlantis Carnet a lost financial instrument of unbelievable value capable of bringing down entire civilizations Krina doesn t know that Count Rudi suspects her motives so she accepts his offer to get her to Shin Tethys in exchange for an introduction to Ana And what neither of them suspects is that a ruthless body double assassin has stalked Krina across the galaxy ready to take the Carnet once it is whole and leave no witnesses alive to tell the tale Neptune's Cauldron Michael G. Coney, 2013-09-24 Pursued by the interplanetary police for a crime he did not commit space traveller Tyg is forced down on the planet Storm where he finds a revolution brewing among the Tadda against King Caiman the planet s tyrannical ruler He must prove his innocence of the crime with which he is charged as he fights for survival beneath the Storm s seething oceans where the very existence of the Tadda is threatened by the deadly undersea volcano known as NEPTUNE S CAULDRON *The Elizabethan Underworld - a collection of Tudor and Early Stuart Tracts and Ballads* A. V. Judges, 2013-11-05 The Elizabethan Underworld collects together sixteen of the more important tracts from the sixteenth and early seventeenth centuries dealing with the lives and misdoings of thieves rogues and tricksters For the most part the original authors were men of experience watchmen constables and those who drifted into the London underworld and learnt its tricks A thorough introduction contributes a full historical background and outlines contemporary social contexts

The Annihilation Score Charles Stross, 2016-06-28 From the Hugo Award winning author of *The Rhesus Chart* comes another supernatural case from *The Laundry Files* Dominique O'Brien her friends call her Mo lives a curious double life with her husband Bob Howard To the average civilian they're boring middle aged civil servants But within the labyrinthine secret circles of Her Majesty's Government they're operatives working for the nation's occult security service known as the Laundry charged with defending Britain against dark supernatural forces threatening humanity Unfortunately one of those supernatural threats has come between Mo and Bob An antique violin an Erich Zahn original made of white human bone was designed to produce music capable of slaughtering demons Mo is the custodian of this unholy instrument It invades her dreams and yearns for the blood of her colleagues and her husband And despite Mo's proficiency as a world class violinist it cannot be controlled

A Cultural History of Money in the Modern Age Taylor C. Nelms, David Pedersen, 2021-03-11 Bracketed by global financial crises and economic downturns the modern age has been defined by debates about and transformations of money The period witnessed the consolidation of national currencies and monetary policies as well as the diversification of payment technologies and the proliferation of financial instruments Throughout even as it appeared abstracted by finance and depoliticized by expert ideologies money was revealed again and again to be a powerful medium of cultural imagination and practical inventiveness as well as the site of public and political struggles Modern money both as a form of liquidity and as a claim on wealth remains deeply unsettled caught between private and public interests and subject to epic struggles over the infrastructures of value creation and circulation and their distributional consequences Drawing upon a wealth of visual and textual sources *A Cultural History of Money in the Modern Age* presents essays that examine key cultural case studies of the period on the themes of technologies ideas ritual and religion the everyday art and representation interpretation and the issues of the age

Historical Dictionary of Science Fiction in Literature M. Keith Booker, 2014-10-01 The *Historical Dictionary of Science Fiction in Literature* is a useful reference to the broad and burgeoning field of science fiction literature Science fiction literature has gained immensely in critical respect and attention while maintaining a broad readership However despite the fact that it is a rapidly changing field contemporary science fiction literature also maintains a strong sense of its connections to science fiction of the past which makes a historical reference of this sort particularly valuable as a tool for understanding science fiction literature as it now exists and as it has evolved over the years The *Historical Dictionary of Science Fiction in Literature* covers the history of science fiction in literature through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries including significant people themes critical issues and the most significant genres that have formed science fiction literature This book is an excellent access point for students

researchers and anyone wanting to know more about this subject

Transparent Minds in Science Fiction Paul Matthews, 2023-10-17 *Transparent Minds* explores the intersection between neuroscience and science fiction stories Paul Matthews expertly analyses the narratives of humans and nonhumans from Mary Shelley to Kazuo Ishiguro across 200 years of the genre In doing so he gives lucid insight into the meaning of existence and self awareness Rigorously researched and highly accessible Matthews argues that psycho emotional science fiction writers both imitate and inform alien and post human consciousnesses through exploratory narratives and metaphor Drawing from a diverse range of scholars and critics Matthews explores topics such as psychonarration and neuroaesthetics to create a thoughtful and cogent argument By synthesising concepts from philosophy neuroscience and literary theory Matthews posits the potential for science fiction to bridge the gap in understanding between AI and human minds Given the recent advancements in AI technology Matthews timely discussion enters the speculative realm of sentient technology and postcyborg ethics The work constitutes a major contribution to cross disciplinary perspectives on alien and posthuman psychology that engages with future states of existence in both ourselves and the machines we create *Transparent Minds* will be of interest to innovators authors and science fiction enthusiasts alike

Western Field, 1906

Science Fiction and the Dismal Science Gary Westfahl, Gregory Benford, Howard V. Hendrix, 2019-11-27 Despite the growing importance of economics in our lives literary scholars have long been reluctant to consider economic issues as they examine key texts This volume seeks to fill one of these conspicuous gaps in the critical literature by focusing on various connections between science fiction and economics with some attention to related fields such as politics and government Its seventeen contributors include five award winning scholars five science fiction writers and a widely published economist Three topics are covered what noted science fiction writers like Robert A Heinlein Frank Herbert and Kim Stanley Robinson have had to say about our economic and political future how the competitive and ever changing publishing marketplace has affected the growth and development of science fiction from the nineteenth century to today and how the scholars who examine science fiction have themselves been influenced by the economics of academia Although the essays focus primarily on American science fiction the traditions of Russian and Chinese science fiction are also examined A comprehensive bibliography of works related to science fiction and economics will assist other readers and critics who are interested in this subject
