Office of Management and Budget,2014 **Governing States and Localities** Kevin B. Smith,Alan Greenblatt,2019-01-03 An easy to navigate comparative book on state and local government Very student friendly and well organized Jane Bryant John A Logan College The trusted and proven Governing States and Localities guides students through the contentious environment of state and local politics and focuses on the role that economic and budget pressures play in issues facing state and local governments With their engaging journalistic writing and crisp storytelling Kevin B Smith and Alan Greenblatt employ a comparative approach to explain how and why states and localities are both similar and different The Seventh Edition is thoroughly updated to account for such major developments as state versus federal conflicts over immigration reform school shootings and gun control the impact of the Donald Trump presidency on intergovernmental relations and issues of central interest to states and localities and the lingering effects of the Great Recession A Complete Teaching and Learning Package SAGE coursepacks FREE Easily import our quality instructor and student resource content into your school s learning management system LMS and save time Learn more SAGE edge FREE online resources for students that make learning easier See how your students benefit **Spain** International Monetary Fund. Monetary and Capital Markets Department,2017-11-13 This Technical Note discusses the findings and recommendations in the Financial Sector Assessment Program for Spain in the areas of insurance sector supervision and regulation The Spanish insurance market is complex owing to the presence of large numbers of insurance groups The supervisory culture in the Directorate General of Insurance and Pension Funds DGSFP appears to be reactive or compliance focused The supervisory focus should shift toward qualitative as well as quantitative review of the insurer s key methods and assumptions including the proportionate verification of technical provisions and capital requirements The DGSFP should also develop areas that are now relevant in the Solvency II framework such as governance and risk management **Handbook on Corporate Governance in Financial Institutions** Christine A. Mallin,2016-05-27 The global financial crisis has led to more and more focus on corporate governance and financial institutions There has been much coverage in the media about various corporate governance related issues in banks and other financial institutions such as executive directors remuneration and bankers bonuses board composition and board diversity This book dedicated to the corporate governance of banks and other financial institutions makes a timely and accessible contribution to the literature in this area The contributors are experts in their field with in depth knowledge of the various countries including Italy the UK Germany the US China Japan Brazil Russia Australia and Nigeria plus a chapter on Islamic financial institutions covered in this book Overall the engagingly written chapters highlight many of the shortcomings of corporate governance which have

led to financial scandals whilst indicating areas where corporate governance can be strengthened and improved Adding depth and accessibility to existing corporate governance books this Handbook is ideal as a teaching and learning tool for undergraduate and postgraduate students For directors and the general business and wider stakeholder communities concerned with corporate governance it is an essential resource Contributors C L Ahmadjian K J Chang M J Conyon F Cuomo H Farag L He H Y Liang I Love C A Mallin C Ogbechie B Okhunjanov G Pearson S Prigge R F Schiozer O K Tam P R S Terra A Zattoni

Non-State Actors in Education in the Global South Prachi Srivastava, Geoffrey Walford, 2019-10-23 Fuelled by social equity concerns there have been vigorous debates on the appropriateness of certain non state actors particularly those with commercial and entrepreneurial motives to meet universal education goals There are further questions on the relative effectiveness of government and private schooling in delivering good learning outcomes for all Within this debate several empirical questions abound Do students from poorer backgrounds achieve as well in private schools as their advantaged peers What are the relative out of pocket costs of accessing private schooling compared to government schooling Is fee paying non state provision affordable to the poorest households What is the nature of the education market at different levels What are the relationships between different non state actors and the state and how should they conduct themselves The chapters in this volume present new empirical evidence and conduct critical analysis on some of these questions This book was originally published as a special issue of the Oxford Review of Education
