Obama Forensics Report Colb Birth Certificate:

1984 Redux Andrew Curtiss, 2011 July 2009 Andrew Curtiss received a Chain Mail in his E Mail box The Message was sent to him from a former colleague he served with in the US Army Special Forces at Fort Bragg North Carolina The subject line of the message read Congratulations you made the terrorist watch list The content suggested that the Department of Homeland Security had labled millions of Americans who are Constitutionlists Pro Life of Christian faith voters for rightwing politics are combat veterans and more as potential domestic terrorists After researching the matter Andrew found that the DHS did infact publish such a report that was meant to be confidential for law enforcement only The report was published April 7 2009 It was during Andrew s research into the matter that he realized the Fundamental Transformation of America as promised by Barrack Obama was indeed transforming America into something much like Oceania in George Orwell s 1984 1984 Redux digs deep into the issues facing Americans today as America Fundamentally Transforms Curtiss draws the comparison of where Obama and his leftist handlers and drones want to take America as part of this transformation to the extreme Socialist Oligarchy depicted in Orwell s 1984 Supported by scores of references and facts one might be surprised to see how close to Orwell s nightmarish depiction America is headed 1984 Redux is not only a wakeup call to America but the world as to what could be if the most influential nation in the world and last hope for freedom falls to the left *The Birth Certificate* Susan J. Pearson, 2021-10-27 For many Americans the birth certificate is a mundane piece of paper unearthed from deep storage when applying for a driver s license verifying information for new employers or claiming state and federal benefits Yet as Donald Trump and his fellow birthers reminded us when they claimed that Barack Obama wasn t an American citizen it plays a central role in determining identity and citizenship In *The Birth Certificate* An American History award winning historian Susan J Pearson traces the document s two hundred year history to explain when how and why birth certificates came to matter so much in the United States Deftly weaving together social political and legal history *The Birth Certificate* is a fascinating biography of a piece of paper that grounds our understanding of how those who live in the United States are considered Americans
