Hotel Law Nelson Migdal, 2015-05-08 Hotel Law Transactions Management and Franchising presents a practical guide to the issues that face lawyers and industry leaders working in the hospitality field. It aims to develop the reader's understanding of the acquisition process and the complex relationships in management and franchise deals that dominate the hotel industry. This text is written primarily as a desktop reference for legal practitioners working in the hotel law field and is also suitable for students studying towards hotel and hospitality careers both at an undergraduate and law school or graduate level. The highly experienced author, contributors, and editors offer insights into the industry players and their preferred positions, desired outcomes, and the potential pitfalls that can ensnare even the most well-planned deals. With broad coverage of the rapidly growing field of hospitality law, including gaming, recreation, and amenities, the book's approach examines the dominant models of hotel ownership, management, and franchising, and includes independent hotels and the move towards complex resorts. The book's coverage of key legal topics ranges from real estate to intellectual property, contracts, and finance. Hotel Law will give readers an understanding of the hospitality industry from the perspective of the transactional practitioner while examining the multi-party relationships and agreements that develop between an owner, operator, licensor, and lender.

extensive content review as well as testing practice And the text review unlike most competing books is Florida specific not
just simplistic national content but terse relevant and accurate state and national laws and regulations presented as a set of
key point reviews ideal for pre test memorization FL RELEP precisely follows the official 50 page Florida syllabus topic by

topic in the correct ordered sequence Consequently the material serves as a more user friendly review for students who have taken pre license courses throughout Florida containing this required content and organization FL RELEP s key point reviews are a succinct compression of tested national principles and practices drawn from our own Florida textbook Principles of Real Estate Practice in Florida one of the most widely used principles textbooks in Florida Finally our review content and question selection is tailored to follow the state testing outline promulgated by the state of Florida A word about the tests The FL RELEP s test questions are designed to cover the content covered by the law reviews which reinforces your learning of the total body of information tested by the state of Florida The questions are direct to the point and designed to test your understanding When you have completed a given test you can check your answers against the answer key in the appendix You may also note that each question s answer is accompanied by a brief explanation to further reinforce your understanding In the end as you know it s all up to you Unlike other publications we are not going to tell you that using this book will guarantee that you pass the Florida state exam It still takes hard work and study to pass But we have done our best here to get you ready Following that the most we can do is wish you the best of success in taking and passing your Florida exam So good luck We also sell the 540 page Florida principles textbook Principles of Real Estate Practice in Florida
