Sustainable Development Reporting by Government Departments Great Britain: Parliament: House of Commons: Environmental Audit Committee,2006-06-28 The regular annual report the Sustainable Development in Government report covering the whole of central government on environmental and sustainable development issues is seen as a success in the greening government initiative since 1997 along with the Framework for Sustainable Development on the Government Estate Reporting by individual departments is less satisfactory The Framework contains targets for departments on public reporting of their sustainable development impacts but they are neither demanding nor specific Some significant areas of departmental activity fall outside the parameters for sustainable development reporting for example involvement in PFI contracts and the Committee wants departments to be able to report on these matters The UK Sustainable Development Strategy required all departments and executive agencies to produce an annual Sustainable Development Action Plan SDAP by December 2005 The Committee is disappointed that 14 departments and agencies did not meet this deadline The Committee would like SDAPs to be published alongside the departmental annual reports in the spring This report also includes as an annex p 11 41 the National Audit Office briefing detailing the findings of its review of annual sustainable development reporting by UK government departments in 2004 [Index of Forms](#) United States.
