St. Nicholas and Mary Mapes Dodge Susan R. Gannon, Suzanne Rahn, Ruth Anne Thompson, 2004-07-15 St Nicholas has been called the best children s magazine ever published particularly during the tenure of its founding editor Mary Mapes Dodge From 1873 to 1905 Dodge worked to create what she called a pleasure ground for children a magazine that would have great impact on several generations of children The list of authors who wrote for her includes Louisa May Alcott Frances Hodgson Burnett Henry Wadsworth Longfellow Rudyard Kipling Theodore Roosevelt and Mark Twain The quality of the magazine s illustration was equally high The magazine was also the launching pad for a new generation of authors and artists such as F Scott Fitzgerald E B White Jack London and Eudora Welty This anthology of critical writing on St Nicholas includes some of the most influential articles already published and newly commissioned essays on a variety of subjects including the impact of the St Nicholas league the utopian thrust of the magazine s fiction and the story of the long and productive literary partnership between Dodge and Alcott Essays also analyze Dodge s relationship with her readers her editorial practice the illustrations American family life as seen by young British readers war and military life advertising and the middle class preoccupation with change of fortune tales The work places St Nicholas in American cultural history and analyzes how it both influenced and was influenced over thirty years Essential documentary material presently unpublished or inaccessible and illustrations from the magazine are also included St. Nicholas ,1883 **Translation in Modern Japan** Indra Levy, 2017-07-05 The role of translation in the formation of modern Japanese identities has become one of the most exciting new fields of inquiry in Japanese studies This book marks the first attempt to establish the contours of this new field bringing together seminal works of Japanese scholarship and criticism with cutting edge English language scholarship Collectively the contributors to this book address two critical questions 1 how does the conception of modern Japan as a culture of translation affect our understanding of Japanese modernity and its relation to the East West divide and 2 how does the example of a distinctly East Asian tradition of translation affect our understanding of translation itself The chapter engage a wide array of disciplines perspectives and topics from politics to culture the written language to visual culture scientific discourse to children s literature and the Japanese conception of a national literature Translation in Modern Japan will be of huge interest to a diverse readership in both Japanese studies and translation studies as well as students and scholars of the theory and practice of Japanese literary translation traditional and modern Japanese history and culture and Japanese women s studies **The Christian Advocate** ,1900 The Bookseller ,1908 **St. Nicholas** Mary Mapes Dodge, 1900 **Publishers' circular and booksellers' record** ,1880 *Christian Advocate and Journal and Zion's Herald* ,1900 **Saints of the Roman Calendar: Including Recent Feasts Proper to the English-Speaking World** Enzo Lodi, 2017-08-31 The Catholic Church has always placed before the eyes of the faithful the example of holiness set by the saints In the first Preface of the Mass for Holy Men and Women we read In their lives on earth you give us an example In our

communion with them you give us their friendship In their prayer for the Church you give us strength and protection
 Moreover as the Second Vatican Council put it every act of love offered by us to those who are in heaven tends to and
 terminates in Christ the crown of all the saints and through him in God who is wonderful in his saints and is glorified in them
 This book then should be a welcome addition to the ever increasing number of volumes that treat of the lives of the saints
 With the addition of feast days proper to the United States it is offered to the English speaking public in the hope that it will
 foster greater devotion to the saintly men and women who are not only historical figures worthy of our veneration but models
 worthy of our imitation *OE [publication]* ,1970 Annual Report of the Department of the Interior United States.
