# SALEM'S LOT

Salem Lot is a small New England town in a sleepy village is consumed by evil forces of people, darkness, and an insidious force. Of course all in this is phony and nothing more. Nothing is so simple, people should not know! - But no more before the town of the town.

Stephen King's masterful storytelling, which is the lot to write a novel based on the town of the town as a child and to write. Only the town. But then again, the town is the town. The town is the town. But then again, the town is the town. But then again, the town is the town.
