Salvation Understanding Christianity:

Understanding Christianity Dr. Ashwin Drummond, 2022-12-15 Christianity is perhaps the simplest way of life. The efflux of time and the selfish motives of man have complicated and compounded it. Much is discussed and followed outside the Holy Bible. This book examines the beginning and how the end will be. It explains the character of God Jesus Christ and who is the Holy Spirit. The trinity has also been explained for better understanding. The creation which was soured by sin is not the end but only the beginning. The loving Creator God can neither compromise his handiwork nor can He allow the man to die. God therefore opened a way for reverting back the lost immortality to man. How a man can save himself from eternal death and once again get immortality has been carefully explained. How Jesus paid the penalty of sin and saved the man from eternal damnation is the most wonderful gospel explained.

Understanding Christian Mission Scott W. Sunquist, 2013-09-15 This comprehensive introduction helps students, pastors, and mission committees understand contemporary Christian mission historically, biblically, and theologically. Scott Sunquist, a respected scholar and teacher of world Christianity, recovers missiological thinking from the early church for the twenty-first century. He traces the mission of the church throughout history in order to address the global church and offers a constructive theology and practice for missionary work today. Sunquist views spirituality as the foundation for all mission involvement; for mission practice springs from spiritual formation. He highlights the Holy Spirit in the work of mission and emphasizes its trinitarian nature. Sunquist explores mission from a primarily theological rather than sociological perspective, showing that the whole of Christian theology depends on and feeds into mission. Throughout the book, he presents Christian mission as our participation in the suffering and glory of Jesus Christ for the redemption of the nations.

Salvation in the Flesh David Tremontozzi, 2018-02-01 David Tremontozzi contends that conservative traditional Christianity has uncritically adopted an intellectualist, i.e., rationally driven view of faith in its understanding and practice of salvation. Throughout, he maintains that an intellectualist soteriology should be rejected because it prioritizes the rational over other behavioral and affective aspects of faith. An intellectualist rendering of salvation is incomplete because human experience is neither abstract nor gnostic; it is embodied and experientially relevant. An intellectualist soteriology simply cannot account for the dynamic and transforming possibilities of saving grace. Salvation in the Flesh offers an innovative perspective on the embodied nature of faith and the centrality of the Holy Spirit in the Christian doctrine of salvation. Drawing from the cognitive neurosciences and psychology, Tremontozzi argues for a holistic awareness of cognition to better inform an embodied understanding of faith. In dialogue with the cognitive sciences, he appropriates Jonathan Edwards' theology of religious affections, early church practices, and pentecostal spirituality to highlight the soteriological significance of orthodoxy, orthopraxis, and orthopathy for a renewal soteriology of embodiment. In doing so, Tremontozzi offers a vision of salvation that more thoroughly accounts for the multifarious ways God's saving grace interacts with human flesh and blood.

Salvation As a Mechanical Process Richard E. Davies, 2020-02-14 Christians have been taught that Jesus died on the cross to pay a fine or ransom to expiate or atone for our sins Furthermore they have been taught that the death of Jesus is the only way individuals can receive eternal salvation In general this notion is called the doctrine of blood atonement or penal substitution or some similar name One reason for this teaching is that the development of Newtonian mechanics has led us to believe that God s laws of salvation must be as easy to understand as the seventeenth and eighteenth century laws of our physical world This book demonstrates that there are alternatives for understanding Jesus execution that are consistent with the twentieth and twenty first century understanding of our physical world In fact the early Christian writers including the Bible itself described these alternatives Sacrifice was only one form of the early Christian narrative explaining the death of Jesus Although blood atonement was understandable in ancient Roman culture it is not understandable in our culture The inevitable conclusion is that we should abandon blood atonement and develop one of the alternative ways of understanding the cosmic significance of Jesus execution

Understanding Christian Doctrine Ian S. Markham, 2017-03-16 The comprehensive and engaging introduction to contemporary Christianity revised and updated The

second edition of Understanding Christian Doctrine presents a completely updated and revised edition that builds on the most popular features of the first edition to offer a lively overview to the central beliefs of Christianity Ian S Markham a noted authority of Christianity discusses the great thinkers of the Christian tradition and puts them in conversation with contemporary progressive theologies in a book that goes from Augustine Aquinas and Luther to Liberationist Feminist and Queer theologies Designed to be a basic primer the text is written in a manner that assumes the reader has no prior knowledge of theology or Christian doctrine The book is designed to present the basic options in all the key areas of Christianity as well as information on how to make complex theological decisions The author tackles all the key questions from creation to eschatology Furthermore Markham makes his own distinctive contribution he argues that theodicy traditionally seen as a major difficulty with belief is actually a theme that links many aspects of Christian doctrine The revised second edition includes a wealth of new information including A lively and comprehensive introduction to Christianity that assumes no prior knowledge of the faith An overview to the great thinkers of Christian tradition that puts them in conversation with progressive liberationist theologies Suggestions that help even the most skeptical to learn to understand and possibly embrace theological assertions Breakout boxes that explain the significance of the text s various philosophical ideas and positions The text is ideal for anyone interested in learning about the foundations of Christianity as well as new ideas about the faith Christianity is presented in a manner that embraces the richness of the tradition and affirms the central claims of the historical creeds while engaging with liberationist challenges to the tradition

ARE WE SAVED? Stephen Rong, 2011-06-01 Today Gospel has been twisted in a broad field Faith in Jesus Christ must be built up on the full revelation of God However most evangelists do not equip well before ministering They lack the structure of faith of the Scriptures The consequence is that both shepherds and sheep are not walking on the way of truth Actually they are falling away Because of lacking of the foundation of faith based on the full words of God it is not surprised that even popular evangelists deny that Jesus Christ is the only way of salvation Let s tremble before the Word of God and seek Him John 1 1 In the beginning was the Word and the Word was with God and the Word was God Isaiah 66 5 Hear the word of the LORD ye that tremble at his word Your brethren that hated you that cast you out for my name s sake said Let the LORD be glorified but he shall appear to your joy and they shall be ashamed

The Orthodox Understanding of Salvation Christopher Veniamin,2023-07-20 The Orthodox Understanding of Salvation brings together some of Dr Veniamin s talks and articles hitherto available in relatively little known theological journals and periodicals which pertain to the fundamental question of the purpose of human existence to Salvation as understood in the age old and unbroken tradition of the Orthodox Christian Faith the faith of the Patriarchs Prophets Apostles Martyrs and Saints of our Lord God and Saviour Jesus Christ Dr Christopher Veniamin is a spiritual child of St Sophrony the Athonite 1896 1993 a graduate of the Universities of Thessalonica and Oxford has served as Professor of Patristics at St Tikhon s Seminary 1994 2023 and as Dean and COO of The Antiochian House of Studies 2015 2020 He is also the author of The Orthodox Understanding of Salvation Theosis in Scripture and Tradition and The Transfiguration of Christ in Greek Patristic Literature From Irenaeus of Lyons to Gregory Palamas With Addendum The Transfiguration of Christ in the Spiritual Homilies of Macarius the Egyptian His translation Saint Gregory Palamas The Homilies for which he wrote a prodigious number of scholia is arguably the greatest single volume commentary on the Bible in Patristic literature

Understanding the Gift of Salvation Irpeel Ebenezer,2012-03-01 What exactly did Jesus Christ save us from other than hell fire That was the question a somewhat frustrated friend asked while going through a difficult period in his life Many

Christians have asked similar questions or wondered why the Christian life in reality is so different from what is usually professed This book is a true seeker s manual on the Gift of Salvation It is for those who are not satisfied with only doctrines and creeds handed down by parents or pastors It is for those willing to build on what they ve learnt dig deeper and find out the fullness of what God in His mercy gave to mankind in Jesus Christ It not a book to rush or breeze through like the Berean Christians readers are encouraged to carefully study the Scripture references and dig out the truth for themselves The promise of God is You will seek Me and find Me when you seek Me with all your heart Are You Really Saved? Michael D. LeMay,2014-05-12 Are You Really Saved will challenge every professing Christian to take a step back and see what the Bible actually says about sin grace salvation and sanctification As Christians become busier with things of this world reading and understanding the Bible has been replaced with quick sermons or daily devotionals leaving many Christians with more questions than answers about these eternal subjects Every person will stand before a right and just God when they die and hear one of two judgments Well done good and faithful servant or Away from me you evildoers I never knew you Most professing Christians believe they will be welcomed into eternal life with God yet cannot explain exactly why or how We have relied too long on misinformation or the teachings of a select few instead of searching the Bible for God s answers to questions of eternity This book will challenge you to examine not only what you have come to believe but ask the important why questions questions most professing Christians often cannot answer **The Doctrine of Salvation; A Beginner's Guide to Understanding Biblical Theology: What Does Biblical Salvation Really Mean** Michael Southard,2017-01-25 Have you ever just wanted to sit down and read something about God or Jesus just to get closer to him to know him more intimately or to expand your understanding of his creation and plan for you So you find a book that advertises just the subject matter you are interested in then you open it and begin to read but before long you realize you have to run and get the dictionary Then you may have to purchase a dictionary of theology then maybe an encyclopedia of Christian apologetics just to understand what you are reading When this happens readers often give up on the book and never finish it and may never buy another one It can get discouraging when confronted with terminology like infralapsarianism hamartiology and demythologization and that doesn t include the hundreds of nontheological words rarely used in common communication today Authors write this way to keep the book from becoming the size of an encyclopedia However I did buy all those books and persevered in study because of my great hunger for the deeper things of God Now you can too because this book conveys these wonderful biblical thoughts and great theologians writings into plain common language The Doctrine of Salvation takes deep theological concepts and brings their understanding down to a street level as it were This book describes on a practical level how these doctrines are to be applied to our lives and how we can relate them to others I refrain from using thirteen letter words but if they are needed I will use them and then immediately clarify their meaning so the reader will not lose their train of thought Enjoy reading about the wonders of God again in greater depth **Totally Saved** Tony Evans,2008-09-01 In

his well known hard hitting style Tony Evans challenges readers to gain a deeper appreciation of their salvation by comprehending how sin offends and separates us from the Holy One Get prepared to have your gratitude for salvation totally deepened and your walk with Christ totally transformed **Understanding Salvation** Jesse Duplantis, 2012-02-27 God Has a Plan For Your Life There is a path that leads to inner peace real joy and true wisdom about life You begin walking on this new path the moment you reach out to God the moment that you realize your need for His love and salvation In Understanding Salvation you will discover why God sent His Son why salvation is necessary **Christian Theology and African Traditions** Matthew Michael, 2013-05-21 Christian theology is increasingly recognized to be now a non western enterprise since the high concentrations of Christians in the world are no longer found in the Western societies Christian Theology and African Traditions takes seriously this present recognition of the southward movement of Christianity from the western world to a non western setting It seeks to reposition Christian theology and faith to engage the African traditions in classical category of theology proper bibliology anthropology Christology pneumatology soteriology ecclesiology and eschatology and provides unique insights and problems that these classical and systematic categories poses to African Christianity Similarly it provides theological blueprint for non Africans who are interested in knowing the nature and shape of the Christian theology in non western settings Consequently Christian Theology and African Traditions goes beyond the mere criticism of Western misrepresentation of African traditions to seeing how the Christian theology in its systematic character engages the African traditions With this methodological template the work describes in the space of twelve chapters the different classical teachings of the Christian faith on God scriptures spirits and demons the nature of the human person the persons of Christ salvation the Holy Spirit the church and the future life in dialogue with some specific traditions of the African people What Does a Progressive Christian Believe? Delwin Brown, 2008-02 This book came into being about two o clock in the morning on the day after the 2004 presidential election It arose out of the stunned realization that the historic tradition of progressive Christian thought and action had virtually disappeared from our public discourse Progressive Christianity writes theology professor Delwin Brown is a family of perspectives that is united in opposing right wing religion but also desires to go beyond liberal and conservative labels Kindle edition available Are You Saved?
