## VALUATION GUIDE FOR ITEMS DONATED TO THE SALVATION ARMY

New Federal Income tax regulations require donors claiming deductions for charitable contributions consisting of property other than cash worth more than \$500 to file Internal Revenue Service Form 8283, "Non-cash Charitable Contributions". Where the non-cash charitable contribution, other than publicly traded securities, exceeds \$5,000 including "service property" contributed to one or more charitable organizations, the donor charitable organization must acknowledge the contribution on the Form 8283. In addition, donor charitable organizations are required to file Internal Revenue Service Form 8282, "Donor Information Return", when they dispose of certain property the receipt of which they have acknowledged on a Form 8283. (See IRS publication 5411 "Revised November 1985") "Determining the Value of Donated Property" for detailed information.)

The following is a list of the average prices in our thrift stores if the items are in good condition. New or expensive items would be higher and damaged materials less. List is for your guidance only. There are, of course, variables such as, condition, age, antique value, cleanliness, repair needed and value when new.
