Turkistan. Notes of a Journey in Russian Turkistan, Khokand, Bukhara, and Kuldja Eugene Schuyler, 2024-07-02 Reprint of the original first published in 1877 **Turkistan**, 1876 Turkistan; Notes of a Journey in Russian Turkistan, Khokand, Bikhara, and Kuldja Eugene Schuyler, 1877 **A Soviet Journey** Alex La Guma, 2017-04-18 In 1978 the South African activist and novelist Alex La Guma 1925 1985 published *A Soviet Journey* a memoir of his travels in the Soviet Union Today it stands as one of the longest and most substantive first hand accounts of the USSR by an African writer La Guma's book is consequently a rare and important document of the anti apartheid struggle and the Cold War period depicting the Soviet model from an African perspective and the specific meaning it held for those envisioning a future South Africa For many members of the African National Congress and the South African Communist Party the Soviet Union represented a political system that had achieved political and economic justice through socialism a point of view that has since been lost with the collapse of the USSR and the end of the Cold War This new edition of *A Soviet Journey* the first since 1978 restores this vision to the historical record highlighting how activist intellectuals like La Guma looked to the Soviet Union as a paradigm of self determination decolonization and postcolonial development The introduction by Christopher J Lee discusses these elements of La Guma's text in addition to situating La Guma more broadly within the intercontinental spaces of the Black Atlantic and an emergent Third World Presenting a more expansive view of African literature and its global intellectual engagements *A Soviet Journey* will be of interest to readers of African fiction and non fiction South African history postcolonial Cold War studies and radical political thought Ambassadors from the Island of Immortals Zhenping Wang, 2005-08-31 Using recent archaeological findings and little known archival material Wang Zhenping introduces readers to the world of ancient Japan as it was evolving toward a centralized state Competing Japanese tribal leaders engaged in ambassador diplomacy and actively sought Chinese support and recognition to strengthen their positions at home and to exert military influence on southern Korea They requested among other things the bestowal of Chinese insignia official titles gold seals and bronze mirrors Successive Chinese courts used the bestowal or denial of the insignia to conduct geopolitics in East Asia Wang explains in detail the rigorous criteria of the Chinese and Japanese courts in the selection of diplomats and how the two prepared for missions abroad He journeys with a party of Japanese diplomats from their tearful farewell party to

hardship on the high seas to their arrival amidst the splendors of Yangzhou and Changan and the Sui Tang court The depiction of these colorful events is combined with a sophisticated analysis of premodern diplomacy using the key concept of mutual self interest and a discussion of two major modes of diplomatic communication court reception and the exchange of state letters Wang reveals how the parties involved conveyed diplomatic messages by making accepting or rejecting court ceremonial arrangements Challenging the traditional view of China s tributary system he argues that it was not a unilateral tool of hegemony but rather a game of interest and power in which multiple partners modified the rules depending on changing historical circumstances

The History of Central Asia Christoph Baumer, 2016-05-30 Between the ninth and the fifteenth centuries Central Asia was a major political economic and cultural hub on the Eurasian continent In the first half of the thirteenth century it was also the pre eminent centre of power in the largest land based

empire the world has ever seen This third volume of Christoph Baumer s extensively praised and lavishly illustrated new history of the region is above all a story of invasion when tumultuous and often brutal conquest profoundly shaped the later history of the globe The author explores the rise of Islam and the remarkable victories of the Arab armies which inspired by their vital austere and egalitarian desert faith established important new dynasties like the Seljuks Karakhanids and Ghaznavids A golden age of artistic literary and scientific innovation came to a sudden end when between 1219 and 1260 Genghiz Khan and his successors overran the Chorasmian Abbasid lands Dr Baumer shows that the Mongol conquests while shattering to their enemies nevertheless resulted in much greater mercantile and cultural contact between Central Asia and Western Europe *Al-Kashi's Miftah al-Hisab, Volume III: Algebra* Nuh Aydin,Lakhdar Hammoudi,Ghada
