Alcoholism Marc Galanter, 2008-04-08 From the President of the Research Society on Alcoholism On behalf of the Research Society on Alcoholism I welcome the important contribution that Volume 15 of this excellent series on Recent Developments in Alcoholism brings to our field It is not enough for our scientists to develop effective and efficient methods to identify and treat alcohol abuse and alcohol dependence the availability of these services is often limited and it is certainly nonexistent for the early problem drinker In nineteen outstanding chapters Volume 15 deals with organizational issues concerning access to and delivery of substance abuse treatment and the role of managed care Several chapters deal with economic issues cost benefits and financing of these services Lastly five address recent treatment outcome studies Thus this volume will be of great value to both scientists and practitioners The Editor and Associate Editors are congratulated for this conceptual and organizational accomplishment Yedy Israel Ph D **1990 Census of Population and Housing** ,1992
