Children, Dogs and Education Mary Renck Jalongo, 2018-05-08 This book brings together authoritative information about the child dog bond as it is manifested with family dogs visiting therapy dogs and service dogs trained to assist children with disabilities Despite the widely accepted view that participating in a dog's care and interacting with dogs in behaviorally healthy ways is a route to becoming responsible and compassionate research on this complex dynamic is difficult to design time consuming to collect and challenging to analyze This volume synthesizes theory research and practice bringing all to bear upon child dog interactions in homes schools libraries and the community at large Children Dogs and Education serves as a handbook for a diverse group of adults who seek to build positive relationships between children and dogs parents families professional dog trainers teachers librarians mental health professionals health care professionals and university faculty The study of interactions between human and nonhuman animals has captured the imagination of an international community of researchers from many different fields and professions Even though dogs are ubiquitous in the lives of most children studies of children's interactions with dogs in families and communities are lacking Most of the previous research on the human canine bond has

focused on adolescents and adults or even when younger children are the focus it has tended to rely on parents to speak for children There are three features of this book that make it unique First it goes beyond exploring the child dog bond to examine additional important issues including children s concepts of responsible care their ability to interpret dogs behavioral cues and their ideas about canine behavioral issues training Second unlike most other work to date it represents children s voices through cases interviews and drawings Finally the contributors to this edited work use their collective wisdom to draw educational implications and suggest direction in preparing the next generation of dog guardians *The Publishers Weekly* ,2009 Neopets: The Ultimate Field Guide Vivian LaRue,2008-04-22 Virtual prize Unlock your prize inside Cover Neopets: Field Guide #2 Vivian Larue,2009-01-01 Ultimate Tips Vivian Larue,2009-07-10 A guide to the game covers different species of Neopets caring for your Neopet and the world of Neopia
