

A group of people are seated around a large table in a meeting or training environment. Several laptops are open on the table, and some individuals are looking at them. In the foreground, a hand is visible holding a red pen over a document. The background is slightly blurred, showing more people and a bright, indoor setting.

LEED v4 AP O+M MOCK EXAM Gang Chen, 2017-08-01 Pass the LEED AP O M Exam Get Your Building LEED Certified Fight Global Warming and Save Money The USGBC released LEED v4 in GreenBuild International Conference and Expo in November 2013 The GBCI started to include the new LEED v4 content for all LEED exams in June 2014 We have incorporated the new LEED v4 content in this book LEED Leadership in Energy and Environmental Design is one of the most important trends in development and is revolutionizing the construction industry It has gained tremendous momentum and has a profound impact on our environment From this book you will be able to

- 1 Identify your weakness through practice questions
- 2 Learn to work well under the pressure of timed tests
- 3 Check your responses against the solutions
- 4 Understand the solutions for the difficult questions through the explanations
- 5 Fully understand the scope difficulty level and format of the LEED AP O M Exam
- 6 Learn how to pass the LEED AP O M Exam

There is NO official GBCI book on the LEED AP O M Exam LEED v4 AP O M Mock Exams fills in the blanks and demystifies LEED The book includes 200 questions and simulates the real exam in every aspect including scope difficulty level format and number of questions in each LEED category It includes questions answers and explanations This book is small and easy to carry around You can read it whenever you have spare minutes It is an indispensable resource for ordinary people developers brokers contractors

administrators architects landscape architects engineers interns drafters designers and other design professionals All our books are available at GreenExamEducation com Check out FREE tips and info for all LEED Exams and ARE Exams at GeeForum com you can post your questions for other users review What others are saying about LEED AP O M Mock Exam These are TOUGH sample tests You need this book I used this book as a review in the day or two before my exam The questions in this book could very well be found on the exam but most actual exam questions will not be as complex as they are made here Most of these questions on these mock exams have a twist or trick and many can only be answered if you know the materials backwards and forward This makes for GREAT exam preparation because it makes you acutely aware of the types of tricks and the level of detail you MIGHT see on the exam G Patton I highly recommend this book The book was extremely helpful for me passing the exam The questions really challenged me to dig deeper into the details of each category I felt this was one of several tools to help me be prepared for the exam I highly recommend this book Edwin F Sierra Such a great tool I passed the exam at the first attempt These mock exams helped me to learn how to tackle the problems and which areas I should focus on I worked with another book of the author also It took 2 3 weeks for my preparation Chai
