Henry Beckles Willson,1909 **Occultism and Common-Sense** Beckles Willson,2022-08-01 In *Occultism and Common Sense* Beckles Willson presents a compelling examination of the intersection between occult practices and rational thought within the late 19th century cultural milieu. Emphasizing clarity and accessibility Willson employs a distinctive literary style that blends scholarly analysis with vivid illustrations drawing from a rich tapestry of historical and philosophical sources. The book critically explores the prevailing superstitions of the time juxtaposing them against an emerging rational discourse thus illuminating the complexities of human belief systems in a rapidly modernizing world. Beckles Willson a noted figure in the early occult revival and a clear thinker with a keen interest in the metaphysical implications of contemporary thought was shaped by the intellectual currents of his time. Living through a period marked by the tension of emerging scientific

paradigms and traditional beliefs Willson's insights are informed by his own experiences within the esoteric communities allowing him to provide an authentic perspective on the subject matter His scholarly background further enhances the work's authority and lends it a depth that challenges both skeptics and enthusiasts alike I highly recommend *Occultism and Common Sense* to readers interested in the delicate balance between esoteric practices and rational inquiry This thought provoking volume not only enchants with its rich historical narrative but also invites readers to reflect on the convergence of belief and reason in their own lives making it an essential addition to the library of anyone intrigued by spiritual philosophies

Occultism is the practice of occult disciplines including extra sensory perception spiritualism religion astrology magic alchemy and divination Occultism and its concepts are part of the belief structures of philosophies and religions The diverse forms of occultism have a strong desire to reconcile the conclusions of modern natural science with a religious believes that could restore man to a central position and dignity in the universe Journalist historian and soldier was born in Montreal Educated at Kingston Ontario Part of the staff of the Boston Globe and was its correspondent in Cuba Later became the reporter in Georgia for the New York Herald After founding a newspaper in Atlanta Georgia and engaging in journalism in New York he went to England and joined the London Daily Mail Later on he became a free lance writer and a prolific author Many of his books explored Canadian history and issues He also served as a senior officer with the Canadian Expeditionary Force *Occultism and Common-Sense* Beckles Willson,2020-08-24 When I first ventured into the wide and misty domain of Occultism with a light heart I set forth and an open mind My sole aim was to ascertain as far as the means at the disposal of an ordinary man with little of the mystic in his composition would allow what degree of probability attached to published phenomena which the ordinary laws of Nature as most of us understand them could not satisfactorily explain At the threshold of my inquiry one prominent and as it seemed to me disconcerting fact confronted me namely that although for a couple of generations supernatural manifestations had been promiscuously exhibited before the public challenging full investigation

and inviting belief although almost every day the newspapers report some striking case of spirit apparition or materialisation coincident dreams clairvoyance trance utterances or possession often seemingly well attested yet in spite of all this testimony academic science continued to dispute the very basis of such phenomena Any investigator must needs recognise here a very anomalous situation

THE WHITE PEOPLE (Occult & Supernatural Classic) Arthur Machen, 2024-01-12 In *The White People* Arthur Machen presents a haunting exploration of the occult and supernatural that delves into the intersections of innocence and darkness Written in a rich evocative style characteristic of late 19th century literature the novella unfolds through the fragmented diary entries of a young girl who encounters a world steeped in myth and eerie existence Machen adeptly employs symbolism and lyrical prose to evoke a sense of both wonder and dread situating his narrative within the broader context of the supernatural genre that was gaining prominence during the Victorian era challenging the era's rationalist view of the world Arthur Machen a Welsh author born in 1863 was deeply influenced by his fascination with folklore mysticism and the hidden layers of reality His early life in rural Wales and exposure to the mysteries of nature informed his perception of an unseen world that thrummed beneath the surface of everyday life Through his experiences and interests he cultivated a writing style that beckons readers to ponder what lies beyond the veil of the ordinary culminating in the creation of *The White People* This novella is highly recommended for readers intrigued by the uncanny as it masterfully blurs the lines between childhood imagination and the sinister undercurrents of the supernatural Machen's work remains a quintessential piece for enthusiasts of occult literature and those seeking a thought provoking narrative that resonates with both fear and fascination

Clairvoyance and Occult Powers William Walker Atkinson, 2022-06-13 In *Clairvoyance and Occult Powers* William Walker Atkinson presents an intricate exploration of the metaphysical realms that lie beyond conventional perception Written in a clear engaging style characteristic of early 20th century esotericism Atkinson elucidates concepts such as clairvoyance telepathy and other psychic abilities articulating them through a blend of rigorous theoretical framework and practical exercises The book situates itself within the wider context of the New Thought Movement advocating for a belief in the mind's power to shape reality while also addressing the spiritual implications of heightened consciousness and insight Atkinson a prominent figure in the New Thought philosophy was instrumental in popularizing ideas about the power of the mind in various dimensions including mental health prosperity and psychic development His diverse background including his work as a lawyer and publisher along with personal experiences in spiritualism informed his keen insight into the hidden forces of human potential This synthesis of intellectual rigor and mystical inquiry makes his work both timeless and relevant Highly recommended for seekers of spiritual knowledge and personal empowerment *Clairvoyance and Occult Powers* serves as both a foundational text for understanding psychic phenomena and a practical

guide for those wishing to unlock their innate abilities Atkinson's clear prose and insightful explorations invite readers to move beyond the ordinary and embrace the extraordinary dimensions of life **The Occult Review** ,1908

Philosophising the Occult Michael-Sebastian Noble,2020-11-23 Was it mere encyclopedism that motivated Fakhr al Dīn al Rāzī d.1210 one of the most influential Islamic theologians of the twelfth century to theorize on astral magic or was there a deeper purpose One of his earliest works was *The Hidden Secret al Sirr al Maktūm* a magisterial study of the craft which harnessed spiritual discipline and natural philosophy to establish noetic connection with the celestial souls to work wonders here on earth The initiate's preceptor is a personal celestial spirit the perfect nature which represents the ontological origin of his soul This volume will be the first study of *The Hidden Secret* and its theory of astral magic which synthesized the naturalistic account of prophethood constructed by Avicenna d.1037 with the perfect nature doctrine as conceived by Abū Barakī d.1165 Shedding light on one of the most complex thinkers of the post-Avicennan period it will show how al Rāzī's early theorizing on the craft contributed to his formulation of prophethood with which his career culminated Representing the nexus between philosophy theology and magic it will be of interest to all those interested in Islamic intellectual history and occultism *Clairvoyance and Occult Powers* Swami Panchadasi,2019-05-19 These twenty lessons in psychic

development and mental mastery cover such arcane topics as clairvoyance precognition astral projection divination crystal reading ESP spirit summoning auras dreams portents and journeys out of the body These lessons will help the aspiring student of occult powers develop their own innate psychic ability allowing them access to new worlds they never dreamed existed Come learn the secret truths of those who know how to put such knowledge to their own use *Some Glimpses of Occultism* Charles Webster Leadbeater,1909 **The Complete Picatrix: The Occult Classic of Astrological Magic**

Liber Astratus Edition John Michael Greer,Christopher Warnock,2011 The *Picatrix* is the most famous grimoire of astrological magic and one of the most important works of medieval and Renaissance magic With all four books of the Latin *Picatrix* complete in one volume translated annotated by the noted scholars magicians and astrologers John Michael Greer Christopher Warnock *Picatrix* takes its rightful place as an essential occult text *Picatrix* is an encyclopedic work with over 300 pages of Hermetic magical philosophy ritual talismanic and natural magic Greer Warnock's complete translation is lucid and well annotated and was created by astrologers and magicians for astrologers and magicians Greer Warnock's translation was intended to make this incredible grimoire accessible to practitioners and has made an important contribution to the revival of traditional astrological magic **The Inner Life** Charles Webster Leadbeater,1917
