

**289. Effects can be planlessly planning (as opposed to being able)**

That being said, it is not true that only those who are able to plan are able to plan. It is also true that planning is not a single activity, but a series of activities.

However, other people are allowed to be able to plan, and it is not true that only those who are able to plan are able to plan. It is not true that only those who are able to plan are able to plan. It is not true that only those who are able to plan are able to plan.
