Poser My Life In Twenty Three Yoga Poses:

Poser Claire Dederer, 2012-01-05 Witty and heartfelt clear sighted and irreverent Poser is the book that sane sensible and intelligent mothers around the world have been waiting for

Poser Claire Dederer, 2010-12-21 The studio was decorated in the style of Don't Be Afraid We're Not a Cult All was white and blond and clean as though the room had been designed for surgery or Swedish people The only spot of color came from the Tibetan prayer flags strung over the doorway into the studio In flagrant defiance of my longtime policy of never entering a structure adorned with Tibetan prayer flags I removed my shoes paid my ten bucks and walked in Ten years ago Claire Dederer threw her back out breastfeeding her baby daughter Told to try yoga by everyone from the woman behind the counter at the co-op to the homeless guy on the corner she signed up for her first class She fell madly in love Over the next decade she would tackle triangle wheel and the dreaded crow becoming fast friends with some poses and developing long standing feuds with others At the same time she found herself confronting the forces that shaped her generation Daughters of women who ran away to find themselves and made a few messes along the way Dederer and her peers grew up determined to be good good good even if this meant feeling hemmed in by the smugness of their organic buying attachment parenting anxiously conscientious little world Yoga seemed to fit right into this virtuous program but to her surprise Dederer found that the deeper she went into the poses the more they tested her most basic ideas of what makes a good mother daughter friend wife and the more they made her want something a little less tidy a little more improvisational Less goodness more joy Poser is unlike any other book about yoga you will read because it is actually a book about life Witty and heartfelt sharp and irreverent Poser is for anyone who has ever tried to stand on their head while keeping both feet on the ground

I've read *It's going to save lives* by Glennon Doyle, a New York Times bestselling author of *Love Warrior*. A memoir about what could possibly be lucky about addiction. Absolutely nothing, thought Laura McKowen, when drinking brought her to her knees. As she puts it, she kicked and screamed, wishing for something anything else to be her issue. The people who got to drink normally, she thought, were so damn lucky. But in the midst of early sobriety, when no longer able to anesthetize her pain and anxiety, she realized that she was actually the lucky one. Lucky to feel her feelings, live honestly, really be with her daughter, change her legacy. She recognized that those of us who answer the invitation to wake up whatever our invitation are really the luckiest of all. Here, in straight talking chapters filled with personal stories, McKowen addresses issues such as facing facts, the question of AA and other people's drinking. Without sugarcoating the struggles of sobriety, she relentlessly emphasizes the many blessings of an honest life, one without secrets and debilitating shame. *Good Midnight, Insomniacs* Alma Christova, 2012-03. *Good Midnight Insomniacs* is a spontaneous collage of life writing and photographs put together in one breath and hastening to document the early stages of the author's recovery from addiction and depression. No matter who you are, a man or a woman, young or old, rich or poor, black or white, your addiction wants to take your life. Period. The Three Headed Dragon wants you dead. Alma Christova's modest self-help booklet is dedicated to the intervention and addresses people who decided to conquer one of the 21st century deadliest pandemics. As a proverbial slogan of Alcoholics Anonymous goes, "You are no longer alone," it is her belief that in today's cyber era, there is no excuse for silencing mental health issues and chronic addiction pathology, no reason for isolation and despair in the wee hours of the morning. Alma's personal collection of sunrise pictures taken over the first six months of her recovery send the symbolic message of hope for new daybreak to fellow addicts and insomniacs. The essays are simply a continuation of her gratitude letter to The Addictions and Concurrent Disorders Center at the Credit Valley Hospital in Mississauga and depict her personal awakening as a direct result from its multifaceted support. The acquired knowledge has empowered the author; beyond words here come the pictures, and has opened widely a new road, yet another journey of healing and discovery. **Labor Day** Eleanor Henderson, Anna Solomon, 2014-04-15. Thirty acclaimed writers share their personal birth stories: the extraordinary, the ordinary, the terrifying, the sublime, the profane. It's an elemental, almost animalistic urge, the expectant mother's hunger for birth narratives. Bookstores are filled with month-by-month pregnancy manuals, but the shelves are virtually empty of artful, entertaining, unvarnished accounts of labor and delivery, the stories that new mothers need most. Here is a book that transcends the limits of how-to guides and honors the act of childbirth in the twenty-first century. Eleanor Henderson and Anna Solomon have gathered true birth stories by women who have made self-expression their business, including Cheryl Strayed, Julia Glass, Lauren Groff, Dani Shapiro, and many other luminaries. In *Labor Day*, you'll read about women determined to give birth naturally, and others begging for epidurals, women who pushed for hours, and women whose labors were over practically before they'd started, women giving birth to twins and to ten-pound babies. These women give birth in the hospital, at home, in

bathtubs and yes even in the car Some revel in labor some fear labor some feel defeated by labor some are fulfilled by it and all are amazed by it You will laugh weep squirm perhaps groan in recognition and undoubtedly gasp with surprise And then you ll call every mother or mother to be that you know and say You MUST read Labor Day Contributors Nuar Alsadir Amy Brill Susan Burton Sarah Shun lien Bynum Lan Samantha Chang Phoebe Damrosch Claire Dederer Jennifer Gilmore Julia Glass Arielle Greenberg Lauren Groff Eleanor Henderson Cristina Henriquez Amy Herzog Ann Hood Sarah Jefferis Heidi Julavits Mary Beth Keane Marie Myung Ok Lee Edan Lepucki Heidi Pitlor Joanna Rakoff Jane Roper Danzy Senna Dani Shapiro Anna Solomon Cheryl Strayed Sarah A Strickley Rachel Jamison Webster Gina Zucker **The Guru in South Asia** Jacob Copeman,Aya Ikegame,2012 This book provides a set of fresh and compelling interdisciplinary approaches to the enduring phenomenon of the guru in South Asia Moving across different gurus and kinds of gurus and between past and present the chapters call attention to the extraordinary scope and richness of the social lives and roles of South Asian gurus Prevailing scholarship has rightly considered the guru to be a source of religious and philosophical knowledge and mystical bodily practices This book goes further and considers the social engagements and entanglements of these spiritual leaders not just on their own narrowly denominational terms but in terms of their diverse complex rapidly evolving engagements with society broadly conceived The book explores and illuminates the significance of female gurus gurus from the perspective of Islam imbrications of guru ship and slavery in pre modern India connections between gurus and power governance and economic liberalization in modern and contemporary India vexed questions of sexuality and guru ship gurus charitable endeavours the cosmopolitanism of gurus in contexts of spiritual tourism and the mediation of gurus via technologies of electronic communication Bringing together internationally renowned scholars from religious studies political science history sociology and anthropology The Guru in South Asia provides exciting and original new insights into South Asian guru ship
