Sagan Un Charmant Petit Monstre:

Françoise Sagan Alain Vircondelet, 2002 De l'enfance au triomphe derrière la vie facile d'une jeune fille qui se révèle une histoire plus romanesque où la solitude l'angoisse et la peur de la mort rendent une Sagan attachante et douloureuse convaincue de l'inutilité de croire après Proust mais accroché à la littérature gaie et m'lancolique amoureuse infidèle et cherchant le grand amour Symbole d'une époque romantique **Sagan, un charmant petit monstre** Alain

Stardom in Postwar France John Gaffney, Diana Holmes, 2008-02-01 The 1950s and 1960s were a key moment in the development of postwar France The period was one of rapid change derived from post World War II economic and social modernization yet many traditional characteristics were retained By analyzing the eruption of the new postwar world in the context of a France that was both modern and traditional we can see how these worlds met and interacted and how they set the scene for the turbulent 1960s and 70s The examination of the development of mass culture in post war France undertaken in this volume offers a valuable insight into the shifts that took place By exploring stardom from the domain of cinema and other fields represented here by famous figures such as Brigitte Bardot Johnny Hallyday or Jean Luc
