

31 PA School Essay Examples

The door flew open and slammed against the adjacent wall. The room was dark and all I could make out were figures and the noise of chatter and children crying. As my eyes adjusted to the sharp contrast in darkness from the blaring sun outside, I made my way to the counter. "Sign in," said a voice and I looked down to see a chewed up pin and a pile of ripped up pieces of paper, on which I wrote my name and date of birth.

The voice came out again "have a seat; we'll call you when we're ready." I turned to see a room, no bigger than a two bedroom apartment, full of young women and children of various ages. I took a seat and waited for my turn to be seen at my local health department.
